Very Remarkable Cure of Diarrhoea.

"About six years ago for the first time in my life I had a sudden and severe attack of diarrhoea," says Mrs. Alice Miller, of Morgan, Texas. "I got temporary relief, but it came back again and again, and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physicians' prescriptions and treatment without avail. Finally we moved to Bosque county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The case was so similar to my own that I concluded to try the remedy. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine, costing but a few cents, cured me." In Memoriam.

The following lines are dedicated to the bereaved family of the late Mrs. J. H. Patterson:

Again we hear the angels call
In whispers soft and low;
Again the clouds of sorrow fall
On hearts bowed down in woe.
Oh mother's love so pure and sweet
Who hath not known its power!
May God console the broken hearts
Who mourn thee in this hour.

It is God's way; His will be done
Though grief is hard to bear;
We, too, have mourned a saddened home,
And mother's vacant chair.

Thus we can feel for those who mourn
For mother old and gray;
Our hearts can speak to those that break
On mother's grave today.

But God is good; He thought it best
To call the mother home.
Perhaps a few brief years will pass
Then He will bid us come.
And in that land of pure delight,
That home so bright and fair,
With angels clothed in raiment white
We'll meet our mother there.
MRS. R. W. SWINK.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer One Hundred Dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, Ohio. Sold by druggists, 75c. Hall's Family Pills are the best.

The fall sown grain will soon be ready to cut, and at present looks very well. Spring sown grain will be very late. Hops in some few yards look well but in general there will only be about one half crop. But prices bid fair to be good so our hop men seem in good

spirits, and wheat at 70c our farmers can't complain.

Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep.
