

WONDERFUL CURES

L. W. MOENCH, OF ALBANY, THE HAPPY MAN.

Dr. Darrin to Remain at the Hotel Revere in Albany Until October 1st.

(Albany Democrat)
The following outspoken recommendation from a man so well known as L. W. Moench is one of the strongest reasons why people should look into the merits of Dr. Darrin's cures by electricity and skillful medical treatment. The doctor has been prevailed on to remain in Albany until October 1st and is visited by scores of sufferers at the Revere hotel daily, and why any one with good judgment can see their friends and neighbors cured and not grasp the opportunity to try Dr. Darrin's new system of cure is beyond our comprehension.

Mr. Moench's Card.
TO THE EDITOR: For years I have been troubled with sciatic rheumatism, liver and kidney complaint and dyspepsia. One month ago I was unable to work, or even put on my shoes without great suffering. Dr. Darrin has so far restored me that I am able to work every day. My troubles are gone and I feel like a new person and I gladly subscribe my name in Dr. Darrin's behalf and recommend him to the public. I reside on the corner of 4th and Main streets, Albany, and will answer all questions by letter or in person.

A Remarkable Cure.
Herald July 2—J. L. Oxford, a prominent citizen of Linn county, who resides three miles from Brownsville, was in the city yesterday. He called at the Herald office and told a remarkable story of a cure effected by Dr. Darrin, the well known specialist. Mr. Oxford had been totally deaf in his left ear for more than three years, and the right ear was affected to such an extent that hearing was almost impossible. On June 27th he visited Albany and consulted Dr. Darrin. The latter, after a treatment of 20 minutes, restored the hearing in both ears and Mr. Oxford can now hear as well as he could at any previous time in his life prior to the time he was attacked. He is delighted with the permanent cure effected and is loud in his praise of the quick and practical work of the eminent specialist.

Dr. Darrin's Place of Business.
Dr. Darrin can be consulted free from 10 to 5 o'clock daily; evenings 7 to 8; Sundays 10 to 3, at Revere hotel until October 1.

The doctor makes a specialty of all diseases of the eye, ear, nose and throat, catarrh deafness, bronchitis, la grippe, heart, liver, bladder and kidney diseases, or those who suffer from spathy and indifferance; also genit-urinary and skin diseases in either sex, such as blood taints, seminal weakness and lost vigor, varicocele and stricture.

All curable chronic diseases treated at \$5 a week, or in that proportion of time as the case may require. No case published except by permission of the patient. All business relations with Dr. Darrin strictly confidential. Electrical appliances furnished. One visit is desired, though many cases can be treated by home treatment by writing symptoms.

He Reads It, Too.

Special from Buena Vista.

We number among our recent new subscribers to the ENTERPRISE, Joe Sam, an honorable and industrious Chinaman, well known in this section of Polk county.

Joe Sam is operating the well known Bondsey hop yard this year, owned now by Catlin and Lynn, of Salem, and his yard is in better condition than it has been for several years.

A well known hop grower who resides in the vicinity of Buena Vista, declares that Joe Sam's ideas on hop cultivation are the best of any grower's opinions he has heard, and that anyone desiring information on the care of hops could find no better person than this bright Chinese from whom to obtain such knowledge.

Joe Sam is a fine looking Chinaman, perhaps 40 years of age, and he will have his photograph placed on one of the ENTERPRISE Art Calendars, perhaps to send to a wife or sweetheart in his far-off, native land.

We hope Joe will enjoy reading the ENTERPRISE, as well as admiring his face on the calendar.

A Query For All.

Special from Buena Vista.

Humanity in general does not fully realize the blessedness of the gift called contentment. A visit to an up-to-date farm home is a realization of that gift. The husband

and father busy about the ranch, satisfied with his lot; the good wife engaged in her household duties, or gathering fruit for winter use, the little ones trotting at her heels, all of them at peace with the world and happy in their home.

Contentment! No gift can equal it, nor can the gold of a kingdom compensate for its loss. A free gift to all who seek to possess it; something that time cannot deface nor despoil; a charm that enhances the plainest countenance and a pleasure that words cannot describe. Something that all seek for but few recognize when found. Is the gift yours? If not, why not?

Reduced Excursion Rates to the Seaside and Mountain Resorts for the Summer.

The Southern Pacific Company has placed on sale at very low rates round-trip tickets to the various resorts along its lines, and also in connection with the Corvallis & Eastern Railroad to Detroit and the seaside at Yaquina Bay, latter tickets good for return until October 10th.

Three-day tickets to Yaquina Bay, good going Saturdays, returning Mondays, are on sale at greatly reduced rates from all points Eugene and north on both east and west side lines, enabling people to spend Sunday at the seaside. Very low round trip rates are also made between Portland and same points on the Southern Pacific, good going Saturdays, returning Sunday or Monday, allowing Portland people to spend Sunday in the country and the out-of-town people to have the day in Portland.

Tickets from Portland to Yaquina Bay good for return via Albany and east side, or Corvallis and west side, at option of passenger. Baggage checked through to Newport. A new feature at Newport this year will be an up-to-date Kindergarten in charge of an experienced Chicago teacher.

A beautifully illustrated booklet describing the seaside resorts on Yaquina Bay has been published by the Southern Pacific and Corvallis & Eastern Railroads and can be secured from any of their agents, or by addressing W. E. Coman, G. P. A., S. P. Co., of Portland, or Edwin Stone, manager C. & E. R. R., Albany, Oregon.

A Happy Occasion.

Special from Buena Vista.

There was a pleasant gathering at the home of Mr. and Mrs. Allie McLaughlin, just north of Buena Vista, a few days ago. The ladies of the Methodist Aid Society were the guests and a royal good time is reported. Much work was accomplished and after a few hours of labor, interspersed with social jollity. Mrs. McLaughlin served ice cream. Such occasions are bright chapters in the prosaic book of life, and the oftener they occur the better will the readers be pleased with tales of their journeys in this work-a-day world.

Those in attendance besides the hostess, Mrs. McLaughlin, were

Meedames Richardson, Porterfield, Coutu, Baldwin, Davison, Nash, McLaughlin and Pillar.

Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 25 pounds." It's absolutely guaranteed to cure coughs, colds, la grippe, bronchitis and all throat and lung troubles. Price 50c and \$1.00. Trial bottles free at A. S. Locke's drug store.

Claude Hubbard says he has seen all of San Francisco he wants and is willing to come home any time.

The Editor Ate Too Much

The editor and wife had a square meal Sunday on account of having received an invitation to dine at the hotel. Park was afraid we wouldn't accept, we did. For the benefit of our readers we will state that we had chicken and the stuff with such a layout, and some shortcake and lettuce. Our wife wore her blue and white and real dear. Mrs. Perkins had a new skirt and looked too new anything. The editor was Sunday, Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, and was sick all day. White, S. D., Leader.
