OSBORNE'S RECORD.

The Portland Telegram Un-
earths a Part of the Rev-
erend Gentleman.

The Evening Telegram has been at work investigating the past of Rev. Howard Osborne. The report is here appended:

Rev. Howard Osborne, for whose arrest a warrant was issued a few days since at Independence on the charge of selling mortgaged property, has been denied admission to the Episcopal Church in this city.

It appears from statements made by the church authorities that Osborne about six months ago applied personally to Bishop B. Wistar Morris, of the Oregon Diocese, as a candidate for orders in the Episcopal ministry. At the time the application was made Bishop Morris advised that the subsequently erring dominie go to San Mateo, Cal., for a course of study at the Episcopal college preparatory to taking the desired orders. This suggestion was complied with by the applicant and for a few months he was a student in the ecclesiastical institution. In the meantime Bishop Morris had advised Dr. George B. Van Waters of this city, who is chairman of the Standing Committee of the diocese, of the intentions of Osborne. In view of the fact that the latter had made his application in an irregular manner the suspicions of Dr. Van Waters were aroused and he concluded to investigate the record of the applicant. It appears that the regular procedure in such cases is for the candidate to file his credentials with the Standing Committee of the diocese where he makes application, and that afterwards, when he has shown satisfactory preparation, his record becomes a matter for official cognizance before he is finally admitted. The result of Dr. Van Waters investigation was not favorable to the applicant in this case but as the matter had not been inaugurated in an official manner it was not thought requisite to call for official action on the application.

In accordance with this conclusion Dr. Van Waters decided to reject the candidate, which he did, notifying the reverend gentleman of that fact some time ago.

CAREER IN BRITISH COLUMBIA.

In connection with the recent developments regarding the career of the Rev. Howard Osborne and his unsuccessful effort to enter the Episcopalian ministry here, the following advice from Vancouver, B. C. will be read with interest:

Vancouver, B. C. July 31.—(Special to The Telegram)—A man of varied and exciting career is Rev. Howard Osborne, who, Portland dispatches say, has been a

forger, and expelled from the Oregon Episcopal Conference. To be fired from the ministry is nothing new for Osborne. He used to be a Methodist and was in charge of churches of that denomination at Duncans and Nanaimo on Vancouver Island. Osborne went in for politics with an activity that caused him to be hauled before the Methodist conference, charged with transgressing the rules of the ministry. After a long trial the conference imposed a penalty to which the political clergyman refused to submit, and he was expelled. Angry at what he considered unjust conduct of his church, Osborne cast Methodism to the winds and joined the Episcopalians. The case was cause celebre in this province at the time and Osborne had many sympathizers as well as opponents.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

A Distressing Spectacle.

A sorry sight presented itself at Dayton Monday morning. Judge Townsend, of Dallas, Or., who has been more or less insane for some time past escaped from his guard at Dallas about 10 P. M. Sunday night and walked in his nightrobe from Dallas to Dayton, a distance of 28 miles, arriving at 7 o'clock this morning.

On his way Judge Townsend stopped at Wallace Goodrich's house, some distance out from Dayton, where he found a bicycle, which he rode to the house of Mrs. Cain, near Dayton. There he was recognized and taken to the courthouse at Dayton and cared for. He is in a pitiable condition of body and mind. His legs are so swollen as to make it hard to cover them with large sized overalls, and his feet are enlarged and bruised in a terrible manner. He is unable to stand and cannot speak. Judge Townsend is a very heavy

man, weighing upwards of 200 pounds, and it is thought that his terrible night's experience may prove fatal, especially as the night was cold.

Judge Townsend was Bryan's right hand man and stump speaker for Oregon, and also democratic delegate to Chicago convention that nominated Bryan. He was one of the ablest lawyers in this state and prosecuting attorney of Polk county. He will be taken home this evening by train.

Having suffered for seven years with weakness and bearing-down pains, and having tried several doctors and different remedies with no success, your Wine of Cardui was the only thing which helped me, and eventually cured me. It seemed to build up the weak parts, strengthen the system and correct irregularities."

By "tired women" Mrs. Adams means nervous women who have disordered menses, falling of the womb, ovarian troubles or any of these ailments that women have. You can cure yourself at home with this great women's remedy, Wine of Cardui. Wine of Cardui has cured thousands of cases which doctors have failed to benefit. Why not begin to get well today? Dysentery Cured Without the
Aid of a Doctor.

"I am just up from a hard spell of the flux" (dysentery) says Mr. T. A. Pinner, a well known merchant of Drummond, Tenn. "I used one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and was cured without having a doctor. I consider it the best cholera medicine in the world." There is no need of employing a doctor when this remedy is used, for no doctor can prescribe a better medicine for bowel complaint in any form either for children or adults. It never fails and is pleasant to take. For sale by Kirkland Drug Co.
