

JUDGE MASON'S OPINION.

He Was Deaf, and His Hearing Was Restored by Dr. Darrin's Mode of Treatment.

Salem Journal.

The truly wonderful cures Dr. Darrin has accomplished are being testified to by a host of afflicted sufferers who can be consulted on the miraculous cures on their behalf. It is safe to say that no specialist has attained the prominence of Dr. Darrin in this country, and he cannot help but meet with grand success.

Those who are disposed to doubt Dr. Darrin's cures will have their doubts shaken on reading the following card from Judge O. P. Mason, of Portland, a man well and favorably known to all our readers.

His case will go far to establish the skill of Dr. Darrin, who cured him ten years ago:

Dr. Darrin—Dear Sir: Your electrical treatment is most undoubtedly a wonderful success. I have been for a number of years gradually becoming deaf particularly in my left ear. For the last few years I have feared I would be compelled to give up my law practice entirely, as at times I could not hear well enough to hear the witnesses testified to unless they spoke in a louder tone of voice. A short time ago I commenced treating with you and now can hear as I could 20 years ago. In fact, I have no difficulty at all in hearing anyone speak in an ordinary tone of voice. I am frank to say that in my case your treatment has been a success. I am sorry I did not apply sooner, refer anyone to me.

O. P. Mason.

MISS COCHRAN'S GOOD LUCK.

A better pleased young lady could not be found in Albany yesterday than Miss Ethel Cochran, of Mt. Tabor, Oregon, and whose parents live in Brownsville, Oregon. Miss Cochran had been afflicted with deafness for many years and lost all hope of cures until her neighbor, J. L. Oxford, of Brownsville, who was cured of deafness, advised her to consult Dr. Darrin at Hotel Revere. With a faint heart and skeptic to the last degree, she called on Dr. Darrin and to great joy was made to hear nearly as well as ever. Her aunt, Mrs. C. W. Yater, of Albany, saw the treatment and can vouch for the above facts.
