

W. A. MESSNER,

INDEPENDENCE, ORE.

Our fall stock is arriving by every train and will soon be complete in every line. We ask you to call and inspect our goods and get our prices. It will be our policy not to carry goods over from one season to another, therefore we will sell all our SUMMER GOODS AT COST. They are all new and up-to-date goods, but we must have the room for our fall goods.

This represents No. 121 Warner's Rust Proof Corset. The hose supporter attachment holds the corset in place making it the easiest and most comfortable-fitting corset made. Try one and be convinced.

We have a very neat and well selected stock of men's and boys' clothing. Come and examine them and get prices and we are confident we can suit you.

Parents remember we are prepared to fit out your children with the District 76 school shoes. The best fitting and best wearing school shoes made.

We have received our fall line of men's and boys' hats and caps and are sure we can please you in style and quality.

Our stock of dress goods and waistings have nearly all arrived and we are showing some of the latest things in Zibolines and Snow Flakes; in fact, all the latest, as well as the staple things, in Dress Goods. Also Linings, Trimmings, Waists, Sets, etc., etc.

We now have our complete line of ladies' skirts, and would be pleased to show them to you, whether you wish to buy now or later.

We are here to stay and hope by fair dealings and courteous treatment to merit your kind patronage, and we assure you we shall appreciate you visit to our store whether you buy or not.

Remember we will sell you your Groceries just as cheap as any house in the city.
Let us figure with you on this line.
