**MRS. DEWEY'S
EXPERIENCE.**

**She Was Cured With Electric-
ity After All Other Meth-
ods Had Failed.**

Unseen forces are more powerful than seen ones. Electricity performs cures silently but surely. To this many thousands that have been cured can testify. Many who know nothing of it oppose it; but truth always meets with fierce opposition, which in the end only hastens the victory. We do not profess to understand this unseen power, but joyfully accept the great boon of health, feeling that Dr. Darrin is ahead of the age, and is showing to world this new method of cure. As an example, we append Mrs. Dewey's card:

To the Public: I was a patient under Dr. Darrin's cure eight years ago, and wish to relate my experience, that others may benefit by it. For many long years I had been afflicted with diseases peculiar to my sex, accompanied with pain in my chest, heart and stomach. I had lost flesh until my weight was 105 pounds. After a few months electrical and medical treatment by Dr. Darrin, I recovered my health and gained 40 pounds, and am now enjoying good health.

MRS. F. E. DEWEY.
386 Davis Street, Portland.
ADOLPH WUNDER, A GERMAN CITIZEN,
RELATES HIS EXPERIENCE.

After reading and hearing of so many cures by Dr. Darrin, I concluded to try him for deafness in one ear, though I had little faith in his mode of treatment by electricity. On my way to his office I could not hear the noise of the street car or wagons rolling over the stone pavements. After treatment I am able to hear without difficulty the church services, the ticking of a watch or a pin drop, and all signs of life. I wish you to publish this, as it may give others courage to have the new treatment. I consider the cure little short of a miracle. My address is 205 Morris street, Upper Albina, Or.

ADOLPH WUNDER.
MR. H. SEIFERT'S TESTIMONY.

To the Editor: Nine years ago I was taken ill with dyspepsia, liver and kidney complaints, pains in my side and eye trouble. All remedies seemed to fail until I tried Dr. Darrin's treatment last June. Now I am happy to say I am rapidly recovering good health and my wife is on the road to recovery, being afflicted similar to

myself. Refer your readers to me at Kings Valley, Benton County, Or. I endorse Dr. Darrin.

H. SEIFERT.

"After my first baby was born I did not seem to regain my strength although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband insisted that I take Wine of Cardui for a week and see what it would do for me. I did take the medicine and was very grateful to find my strength and health slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."

Wine of Cardui reinforces the organs of generation for the ordeal of pregnancy and childbirth. It prevents miscarriage. No woman who takes Wine of Cardui need fear the coming of her child. If Mrs. Unrath had taken Wine of Cardui before her baby came she would not have been weakened as she was. Her rapid recovery should commend this great remedy to every expectant mother. Wine of Cardui regulates the menstrual flow.

What I Live For.

I live for those who love me,
Whose hearts are kind and true,
For the heaven that smiles above me,
And awaits my spirit, too;
For the human ties that bind me,
For the task of God assigned me,
For the bright hopes left behind me,
And the good that I can do.

I live to learn their story
Who've suffered for my sake,
To emulate their glory,
And to follow in their wake;
Bards, patriots, martyrs, sages,
The noble of all ages,
Whose deeds crowd history's pages,
And times great volumes make.

I live to hold communion
With all that is divine,
To feel there is a union
'Tis Nature's heart and mine;
To profit by affliction,
Reap truths from field of fiction,
Grow wiser by conviction,
And fulfill each grand design.

I live to bail the season,
By gifted minds foretold,
When men shall rule by reason,
And not alone by gold;
When man to man united,
And every wrong thing righted,
The whole world shall be lighted
As Eden was of old.

I live for those who love me,
For those who know me true,
For the heaven that smiles above me,
And awaits my spirit, too;
For the cause that lacks assistance,
For the wrong that needs resistance,
For the future in the distance,
And the good that I can do.
