

W. A. MESSNER,

INDEPENDENCE, ORE.

Our fall stock is arriving by every train and will soon be complete in every line. We ask you to call and inspect our goods and get our prices. It will be our policy not to carry goods over from one season to another, therefore we will sell all our SUMMER GOODS AT COST. They are all new and up-to-date goods, but we must have the room for our fall goods.

This represents No. 121 Warner's Rust Proof Corset. The hose supporter attachment holds the corset in place making it the easiest and most comfortable-fitting corset made. Try one and be convinced.

We have a very neat and well selected stock of men's and boys' clothing. Come and examine them and get prices and we are confident we can suit you.

Parents remember we are prepared to fit out your children with the District 76 school shoe. The best fitting and best wearing school shoes made.

We have received our fall line of men's and boys' hats and caps and are sure we can please you in style and quality.

Our stock of dress goods and waistings have nearly all arrived and we are showing some of the latest things in Zibolines and Snow Flakes; in fact, all the latest, as well as the staple things, in Dress Goods. Also Linings, Trimmings, Waists, Sets, etc., etc.

We now have our complete line of ladies' skirts, and would be pleased to show them to you, whether you wish to buy now or later.

A Remarkable Record.

Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many million bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by Kirkland Drug Co.

Mrs. A. D. Dayidson returned from Newport Monday.

Think for Yourself.

EDITOR ENTERPRISE:—But few seem to have any opinion of their own, or to think for themselves. Like dead fish, they go with the stream, and what others think right they think right, and what others call wrong they call wrong.
