

A PERSONAL QUESTION.

What a Woman Thinks When She Reads Of Dr. Darrin's Cures.

"Can he cure me?" That's the personal question a woman asks herself when she reads of the cures of womanly diseases by Dr. Darrin the well known successful specialist of Albany.

Why couldn't he cure her? Is her case any more complicated than the hundreds of cases that he has cured, which other physicians have given up as incurable?

Why suffer from weakening drains, inflammation, falling of the womb, ovarian pains, profuse, scanty or painful menstruations, loss of sexual desire or exercise, when a sure and positive cure can be had by simply consulting Dr. Darrin at his office in the Revere House. His examinations, should any be necessary is free, and a confidential talk will cost nothing. Read the following who have been permanently cured by Dr. Darrin years ago.

J. W. Davenport, Wingo, Ky., writes, June 14, 1902: "I want to tell you I believe Ballard's Snow Lintment saved my life. I was under the treatment of two doctors, and they told me one of my lungs was entirely gone, and the other badly affected. I also had a lump in my side. I don't think that I could have lived over two months longer. I was induced by a friend to try Ballard's Snow Lintment. The first application gave me great relief; two fifty cent bottles cured me sound and well. It is a wonderful medicine and I recommend it to suffering humanity." 25c, 50c, and \$1.00. Sold by A. S.
