 Mrs. Zeiber was here last Tuesday bidding her friends good-bye before leaving for New York, where she will spend the winter in visiting.

Normal Notes.

Mr. Forbes is busy getting the football men into fighting trim and the gymnasium classes started in their winter's work.
 The new song books add greatly to the pleasure of the singing, and as a number of the Faculty are college men it gives a keener interest to the music.
 The Chapel assembly on Monday morning, October 12, was very enjoyable. Mr. Wigmore, an old friend of the Normal, was present and conducted the devotional exercises.
 The Physical Geography class under the direction of Mr. Mahoney are studying the cyclonic storm areas and, with the aid of the government maps to supplement the text, are working out the causes and effects of these disturbances.
 President Campbell addressed the students on Friday morning, October 16. He spoke of the need of leaders and urged the students to make ample preparation for their life work. He said, in closing, that they would always find their opportunities greater than their abilities.
 Saturday evening a social gathering was held at Professor Robinson's house, about thirty of the Normal boys and Professors Campbell and Forbes being present. The evening was spent in guessing contests, etc. Light refreshments were served. The Y. M. C. Association is in good working order. Two of the subjects discussed at the meetings held

this year have been "Character Building" and "The Good We Derive from Bible Study."

Notice to Masons.

Work will be given in the E. A. degree this coming Saturday evening at Masonic hall. All E. A. Masons are requested to be present.
