

WONDERFUL CURES.

Mr. Bright, of Albany, and Mr. Cochran, of Brownsville, Speak in High Praise of Dr. Darrin.

Mr. Editor: I am not in the habit of puffing doctors, but my case being so marked and the cures so miraculous I deem it a duty I owe the public, as well as Dr. Darrin, to state that the Dr. cured me of deafness with electricity and other methods. Will answer all questions at 105 Pine St. Albany. Cr. G. W. BENIGHT.

MR. COCHRAN OF BROWNSVILLE WRITES:

To the Editor: I wish to add my testimony to the many under Dr. Darrin's treatment. I have been under his treatment for some time, and am in a fair way of recovering from effects of stomach and liver troubles. I most emphatically commend Dr. Darrin. Refer anyone to me at Brownsville Ore.

Saved His Life.

J. W. Davenport, Wingo, Ky., writes, June 14, 1902: "I want to tell you I believe Ballard's Snow Lintment saved my life. I was under the treatment of two doctors, and they told me one of my lungs was entirely gone, and the other badly affected. I also had a lump in my side. I don't think that I could have lived over two months longer. I was induced by a friend to try Ballard's Snow Lintment. The first application gave me great relief; two fifty cent bottles cured me sound and well. It is a wonderful medicine and I recommend it to suffering humanity." 25c, 50c, and \$1.00. Sold by A. S. Locke.
