Rev. L. D. Mahone's Meetings.

Correspondence.

This city was privileged to hear the most gifted and fearless speakers in the United States on Sunday last. Mr. Mahone arrived on Saturday and soon proceeded to investigate the physical and moral conditions prevailing in the city. He entered fearlessly the places of opprobrium, the places of degradation, the places of the law of the city. Sunday morning he addressed the congregation of the Presbyterian church, giving the sternest warning to the liquor traffic, the work of the Anti-Saloon League. In the afternoon a mass meeting was held in the Presbyterian church. Here he gave a revelation to many people never supposed the city was so full of such a thing. Many charges were made against the liquor traffic. In the evening he spoke of the work of the Anti-Saloon League. In all his meetings he left his mark and his impressions. He is not of words only, but of deeds also. He means business. It is known that he will return to this city soon.

Mr. Mahone was not only a captain of the Rough Riders, but also a friend of President Roosevelt. He is an author of distinct literary reputation. "The Destiny of the Republic," and is a contributor to several Eastern magazines. Besides being a graduate of a college and university, also a graduate from a law school and a practicing lawyer. He is a young man of exceptional ability and one prepared to meet every emergency. He has, in the short visit he has made here, done good work for us.

Death of McLaughlin Family.

On Sunday, at the home of Mrs. Tetherow, a family reunion of the McLaughlin family was held, at which were present except one daughter, H. Ward, of California. Mrs. McLaughlin is 84 years old and mother of ten children, all living. It was an inspiring sight to see Mrs. McLaughlin seated at the family table, surrounded by her children, many gray-haired ones.

Mrs. McLaughlin, with her husband, moved from Illinois and settled on their donation land, near Buena Vista, where they lived until the honored father was called to join the majority in 1899, since which time she resided with her eldest daughter, Mrs. M. A. Tetherow.

The reunion was present three generations of grandchildren and two of great-grandchildren, the little daughter of Mrs. Minnie Hiltbrand and the great-granddaughter and the bright baby boy of Joe Tetherow, the only great grand son. The day was a memorable one which will never be forgotten by those present. Grandma McLaughlin and Mrs. Tetherow, sustaining the reputation of all pioneers, were the most hospitable entertainers. The dinner, an elaborate affair, was served in three sections, and a photograph of the group was secured. A family cake, baked by a regular culinary artist, Geo. Stoll, was served in gold, having the names of the family and the date of the reunion, August 15, 1839, and the date of the reunion, July 10, 1903, in brilliant colors.

The presence of the immediate relatives were: Mr. and Mrs. Martha Tetherow and children, all of Independence; Joseph McLaughlin and wife, of Gardena, Oregon; John McLaughlin, of Hubbard, Oregon; Mrs. Lizzie Kennedy and husband, of Woodburn, Oregon; Mrs. Emma Cotwell and two children, of Oakland, Cal.; Mrs. Katie McCarty and husband, of Pendleton, Ore.; William McLaughlin, George McLaughlin and wife, Alfred McLaughlin, wife and children, all of Buena Vista.

May time deal kindly with this honored old pioneer and her gracious family. As another has said: "Deal gently with her Time: these many years Of life have brought more smiles with them than tears. Lay not thy hand too harshly on her brow. But trace decline so slowly on her brow. That like a sunset of a northern clime, Where twilight lingers in the summer time, And fades at last into the silent night, Ere one may note the passing of the light. So may she pass—since 'tis the common lot— As one who, resting, sleeps, and knows it not."

Do Good—It Pays.

A Chicago man has observed that, "Good deeds are better than real estate deeds—some of the latter are worthless. Act kindly and gently, show sympathy and lend a helping hand. You cannot possibly lose by it." Most men appreciate a kind word and encouragement more than substantial help. There are persons in this community who might truthfully say: "My good friend, cheer up. A few doses of Chamberlain's Cough Remedy will rid you of your cold, and there is no danger whatever from pneumonia when you use that medicine. It always cures. I know it for it has helped me out many a time." Sold by Kirkland Drug Co.

Killed a Cougar.

Special from Pedee. Last week J. L. Condon, of the Pedee Lumber Company, shot a cougar one half mile from the Pedee saw mill. This cougar had been having his own way with the neighbors' sheep for some time, and when found had just breakfasted on fresh mutton and had retired for the day. Mr. Condon was somewhat surprised as well as the cougar, and ordered him to throw up his hands. This the cougar refused to do and without waiting to dress, sprang into a tree. For this rash act of disobedience he was promptly shot in the eye, and came down all in a heap. His greatest diameter was 8 feet, 7 inches, from north to south.

A Pound Party.

Special from Buena Vista. A pound party was given in honor of Rev. Thompson and wife at their rooms Saturday evening. There were forty-one guests present, bringing with them quite a large donation. The evening was spent in singing, conversation and playing games by the young people. At eleven o'clock the party broke up and the guests separated to their respective homes. Those present were as follows: Rev. Thompson and wife, G. A. Wells and wife, Mr. Becker and wife, Mr. Rowe and wife, Mrs. Grounds, Tyler, Bevens, Richardson, Polly, Nash, Goin, Winn and Pagenkopf; Messrs. Comy Wells, John Wells, Chef McClain, Will Porter, Arthur Porter, Longacre, Elmer Nash, Jim Porter, Abel Porter, Jim Nash, Hubert Smith, Arthur Smith, Royal Kreutz, Walter Wells, Willie Bevens and Geo. Grounds; Misses Edna Hall, Tressa Prather, May Smith, Jennie Rowe, May Pickett, Grace Thompson, Edna Wells and Carrie Nash.

Suwer School Report.

Following is a report of the Suwer school for the month ending October 16. Total number enrolled.....19 Average number belonging.....14 Average daily attendance.....13 1/2

Those who were neither absent nor tardy during the month are:

Fred Suver, Florence Allen, Sylvia Allen, Lilla Erickson, Otto Steele, Lenora James, Levean Mochne, Willie Helmick, Edwin Larsen, Charles Erickson and Elmer Maxfield.

Many pleasant memories are awakened by the return to the school-room; for there is a pleasure, sacred and inspiring, in the teaching of innocent children. And it is to be hoped that the interest, thus manifested by both pupils and patrons, may continue to increase with each passing month, which will insure a pleasant and profitable school year. R. W. SWINK, Teacher.

New Pastor.

Special from Buena Vista.

On Tuesday, October 14, our little town was surprised to learn that Rev. Thompson, pastor of the M. E. church, is to live among us during the coming year. He arrived Tuesday and the next day his household goods were removed to Mr. Becker's house, where he has rented rooms. He will be with us only on Sundays on account of having to go to Salem to finish his course of studies. He will leave for Salem on Monday mornings, returning Saturdays so as to be with us on Sundays. He will deliver two sermons during the day, but we are not informed at just what hours. He also intends starting the Epworth League here, which his wife will take charge of during his absence.

HOW HEALTH IS GAINED

The story of a great deal of the unhappiness of women is a story of lost health. Women wonder how it is that little by little the form loses plumpness, the cheeks grow hollow and sallow, and they feel tired and worn-out all the time. In a large proportion of cases when women are weak, run-down and falling off in flesh and looks, the root of the trouble can be traced to womanly diseases which undermine the general health. The proof of this is that women who have been cured of painful womanly diseases by the use of Dr. Pierce's Favorite Prescription have recovered their general health, gained in flesh and in appearance.

Dr. Pierce's Favorite Prescription cures the womanly diseases which sap the general health. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness. "I suffered for three years with ovarian trouble," writes Mrs. Anna Quinn (Treasurer Woman's Athletic Club), of 502 Sycamore St., Milwaukee, Wis. "The treatment I took did not do me a particle of good, until a good neighbor who had been using Dr. Pierce's Favorite Prescription advised me to give it a trial. The next day took my first dose, and it was my first step toward recovery. In nine weeks I was a different woman; my flesh which had been flabby became firm, complexion clear and my eyes bright. It was simply an indication of the great change within from pain and suffering to health and happiness."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women. Dr. Pierce's Pleasant Pellets invigorate stomach, liver and bowels.
