 treatment of two doctors, and they
 told me one of my lungs was entirely
 gone, and the other badly affected. I
 also had a lump in my side. I don't
 think that I could have lived over
 two months longer. I was induced by
 a friend to try Ballard's Snow Lin-
 iment. The first application gave me
 great relief; two fifty cent bottles cured
 me sound and well. It is a wonderful
 medicine and I recommend it to suffer-
