by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous services.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free.

We are not Going Out of Business

But we are going to stay here and continue to sell new and up-to-date goods at a small profit to ourselves and a saving of money to our patrons. We do not believe in putting out baits to deceive the public, selling one article at cost and charging two prices for another. We believe in the old adage of "live and let live," to give our customers one hundred cents worth of merchandise for every dollar spent with us, and we are here to build up our business on this method, and will stand back of all goods we sell.

We Are Receiving New Goods

Most every day and ask the public to call and examine our goods and get our prices. We shall always be pleased to show you our goods and give you our prices. We call special attention to our new line of men's clothing, boys' clothing, ladies' shirt waists, skirts, undershirts, mackintoshes, rain coats, men's, boys, ladies and children's rubber boots, also a complete line of rubbers. Also our line of wool blankets, cotton blankets and comforters are excellent values. A word about our shoes. We believe we are handling the best lines that can be bought for the money. Our shoes have style as well as quality and

we know we can please you in the shoe line. Don't overlook our Grocery Department. We can furnish you in this line as cheap as any house in the city. We want your butter, eggs, chickens, geese, turkeys, etc., and will pay you the highest market price for them. Soliciting your valued patronage, I am,

Yours for Business,
