The Deaf Hear.

(Portland Freie Press.)

The lack or loss of one of the five human senses isolates the patient thus afflicted as entirely from the world as if he was banished to a lone island. What gratification can bring us the society of our best friends and acquaintances if their voices do not reach our ear or if, instead of it, we are only conscious of an indistinct murmur? With the loss of hearing all joy and pleasure dies within us, most so in the domestic relations and family life. The song of our children sounds from their lips but does not reach our hearts, their thanks and prayers are an empty sound. No birds sing in the branches for us; no sound of the whole nature reaches our ear—a feeling of sorrow and despair fills our heart. It makes no difference if our suffering is due to an obstinate cold or to other causes.

To give our readers a case, the most convincing because taken from the circle of our nearest acquaintances, we refer to Mr. J. J. Kern, who suffered five years ago from a deafness so obstinate that his mind began to suffer. Mr. Kern was at that time editor of the "Nachrichten and Freie Presse," and the loss of hearing and the constant noise in his ears proved a great obstacle in his business. Dr. Darrin cured him ten years ago by clever treatment, and the evil has never returned.

THE BLIND SEE.

To the Editor: For about six years I have had a chronic inflammation in my eyes and catarrhal conjunctivitis of the lids. Dr. Darrin has so far restored me that I am confident a few days longer will perfect the cure. I reside at Jefferson and can be seen at any time.  
A. G. PORTER.

PARALYSIS AND EPILEPTIC FITS CURED.

Mrs. James Pugh, of Shedd, Oregon, writes as follows: "You cured our boy 13 years ago in Portland of facial paralysis and epileptic fits. He is now a strong man. He never had only one fit two weeks after you commenced his treatment."

Mr. G. W. Dunlap, of Halsey, Oregon, says: For over 20 years my wife has had inflamed eyes and granulated lids. Dr. Darrin has cured her."

Hundreds of others might be mentioned who do not wish their names published.

In most cases only one visit is required. Owing to the crowds rushing to see the Dr. he will receive patients from 9 A. M. to 5 P. M. Dr. Darrin remains at the Revere House, Albany, until December 1, only.

He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for the same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. Bad Coughs

"I had a bad cough for six weeks and could find no relief until I tried Ayer's Cherry Pectoral. Only one-fourth of the bottle cured me."  
L. Hawn, Newington, Ont.

Neglected colds always lead to something serious. They run into chronic bronchitis, pneumonia, asthma, or consumption. Don't wait, but take Ayer's Cherry Pectoral just as soon as your cough begins. A few doses will cure you then.
