"I am well now and enjoying better health than ever before in my whole life."

That is the statement of a woman who had never been well until she was made well by the use of Dr. Pierce's Favorite Prescription. There are a great many other women in like case. They have always been sufferers from disease. They have never known the joy of perfect health.

For all such women Dr. Pierce's Favorite Prescription holds out the prospect of perfect and permanent health, by the cure of the womanly diseases which weaken women. It establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well.

"It gives me pleasure to let you know of the great benefit received from Dr. Pierce's medicines and the advice which you so kindly sent," writes Mrs. Bertie Parker, of Bonham, Pannin Co., Texas. "I took your 'Favorite Prescription,' 'Golden Medical Discovery' and 'Pleasant Pellets,' and followed your advice regarding the 'Lotion Tablets,' and am cured. I had been treated by different doctors and spent one hundred dollars for treatment and medicine, but received very little relief. I have only spent seventeen dollars and fifty cents for your medicine and it has cured me in three or four months of ulceration and falling of uterus. I suffered severe misery in my back, also irregular periods, had bearing-down in lower portion of body and great pain all through my body. Pain in uterus was very severe. Had smothering spells, breath was very short all the time, had pain in stomach, pain in my thighs, pain in breast, also between my shoulders. Bowels constipated. I am well now and enjoying better health than ever before in my whole life. Am happy to tell you that I was cured by your good advice and good medicines, the 'Favorite Prescription,' 'Golden Medical Discovery,' 'Pleasant Pellets' and 'Lotion Tablets.' These medicines cured me and will cure others also."

The dealer who offers a substitute for "Favorite Prescription" does so to gain the little more profit paid on the sale of less meritorious medicines. His profit is your loss, therefore accept no substitute. Dr. Pierce's Pleasant Pellets regulate the bowels.
