## The Keystone

Our business success has been the policy we have followed "of the best goods for the money." Not how cheap but value for every dollar spent.

We do not claim to have a monopoly on all the goods—don't believe in monopolies any way. We stand in the quality of our goods, however, and are prepared to stand behind and guarantee any statement we may make. When you get the best goods at the best prices, there is in it.

Our stock is always fresh and new, and we keep it so by careful and judicious buying. We are always pleased to have our friends come in whether you wish to buy or not.

### School Entertainment.

Special from Parker.

The school entertainment and basket social at the school house Friday evening was a decided success. After a well rendered program by the school, Supt. C. L. Starr made a few timely remarks and auctioned the baskets. There were quite a number of baskets which sold readily. The highest price paid for a basket was \$5, and the lowest was 75c. The baskets brought \$32.25, which amount will be applied toward buying an organ for the school.

This offer is only open for the next sixty days, and it will pay you to come at once before the Christmas rush.

## Pickel's Negatives

Remember, I have in stock all of the negatives taken by E. Pickel at his gallery in this city. If you wish photographs from any of the old plates it will be to your interest to call at once, as I shall probably not keep them in stock any great length of time.
