Miss Maggie Butler has la grippe. People here heard thunder Sunday. William Robinson, of Airhe, was in town on business Saturday.

W. P. Fisher is in Portland, and has been there for a couple of weeks.

The Evangelical meeting is still going on. Up to the present, there has been six conversions.

Jefferson Robinson, of Lewisville, is stopping at his sister's, Mrs. M. E. O'Kelley, for the present.

The Rev. Strobe, of Kings Valley, has moved into one of Mrs. Whitney's houses and is helping in the meeting at the Evangelical church.

Miss Phoebe Hiatt and sister, Bernice, left this week for Washington, where they will visit friends and relatives for a couple of months.

Professor T. O. Hutchinson, of Woodburn, Marion county, was the guest of Uncle Ira F. M. Butler the first of the week. We always like to greet old timers again.

Joe Rose has fixed up the sidewalk in front of the livery stable, and while Monmouth sidewalks are good, yet they have been fixing them up for two months or more.

John McMelon jumped out of his wagon one day last week, and as he struck the ground, one of his horses kicked him on the leg above the knee, fracturing one of the bones, but he is getting along very well.

An example of patience was furnished by a man driving through Monmouth the other day. His horse balked in front of the post office. Instead of using profanity and a club, he sat on his seat, deliberately smoking his pipe and talking with passers-by until his horse moved on.

#### Saved From Terrible Death.

The family of M. L. Bobbitt of Bargerton, Tenn., saw her dying and was powerless to save her. The most and skillful remedy was used, failed, while consumption was slowly but surely taking her life. In this terrible hour Dr. Kings New Discovery turned despair into joy. The first bottle brought immediate relief and its continued use completely cured her. It's the most certain cure in the world for throat and lung troubles. Guaranteed Bottles 50c and \$1.00 Trial Bottles Free at A. S. Locke's Drug Store.

#### Notice to Voters.

Notaries Public throughout the County, in the several voting precincts, have been supplied with registration blanks. All voters are required to register on or before May 15, 1904. Register early and avoid extra expense at the county Registration is required every two years.

U. S. LOUGHARY,  
County Clerk.

We are making prices on steel ranges that move the goods. Special discount for the next sixty days. R. M. Wade & Co.

Rev. Carlisle P. B. Martin,  
L. L. D.

Of Wawery, Texas, writes: "Of a morning, when first arising, I often find a troublesome collection of phlegm, which produces a cough and is very hard to dislodge; but a small quantity of Ballard's Horehound Syrup will at once dislodge it, and the trouble is over. I know of no medicine that is equal to it, and it is so pleasant to take. I can most cordially recommend it to all persons needing a medicine for throat or lung trouble." 25c, 50c and \$1.00. Sold by A. S. Locke.

S. M. Daniel, Monmouth, announces his annual clearance sale on another page of this issue and offers some rare bargains.

## LIVER TROUBLES

"I find Thedford's Black-Draught a good medicine for liver disease. It cured my son after he had spent \$100 with doctors. It is all the medicine I take."—MRS. CAROLINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Thedford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Thedford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Thedford's Black-Draught should always be kept in the house.

"I used Thedford's Black-Draught for liver and kidney complaints and found nothing to excel it."—WILLIAM COFFMAN, Marblehead, Ill.
