THEY NEVER CAME.

A committee of citizens representng Dallas and Independence exended an invitation to delegates to he National Livestock Convention a session in Portland last week to stend the goat show at Dallas. he invitations was supplemented

with as offer of a special train genrously tendered by W. E. Coman fthe Southern Pacific and the visiters, had the invitation been acepted, could have counted on a 'ree spread of Polk county's best. But the invitation was passed

ip, the opportunity lost. The disitors never came. The grunt of igh-bred hogs, the bleat of silken leeced goats and long-wool sheep ever reached their ears. The roud cackle of hens nor the cock--doodle-doo of the chanticleers. hat woke the echoes in the oultry department of the Polk ounty goat show was music mheard by the live stock delegates ad people of Portland. The deleates were kept close within the experate limits of Portland, with he exception of a brief excursion lown the Columbia where fish and ot hvestock run. The trip would laye been perfectly proper for a enowned Columbia river Chinook, General Daly, teel-head and sock-eye salmon but hese could give them little idea of he livestock of the Pacific coast. n Portland they may have seen he "animals"-sometimes two where there was only one, but the opportunity to see real livestock

The best advertisement of Oregon hat could have been presented to he eyes of eastern livestock men vould have been an excursion up he west side taking in the Dallas tock show, and Independence hence to Albany and down the astside with a stop at Salem. t would have been a nice thing on he part of Portland to have seen hat such a program was carried 11. Though its mid-winter, the sisterners would have carried home with them pictures of green ields, cattle, sheep, goats and wine on many hills with evidence f prosperity everywhere. As it vas, they left with memories ofvell it's no use to guess what.

general health diminished. I became thin and weak and nervous, having severe pains at regular intervals, writes Mrs. Augustus Emory. Treasurer New Century Utab. 32 Dean Street (Roxbury). Boston, Mass. She continues: "My work which before had seemed an easy task soon seemed like a beavy burden. I decided to try Dr Pierce's Favorite Prescription, which several of my friends praised so inghty. I felt relief within a week, my appetite came back, the pains gradually decreased and I enjoyed sound sleep. Within fourteen weeks I had completely recovered my health. I seemed bailt up anew, my pulse, which had been week became normal, and new life animated my entire being. I gladly endorse your medicine."

Doctor Pierce's Favorite Prescription restores weak and sick women to sound health, by curing the local womanly discases which are generally responsible for the failure of the general health. A woman's entire being is centered in her womanly nature. When the delicate womanly organism is attacked by disease; when there is irregularity or a disagreeable drain; when inflammation burns and ulcers graw the general health will reflect the progress of disease, in increasing weakness, nervousness, backache, headache, loss of appetite and sleepleseness.

So sure of it is the World's Dispensary Medical Association, of Buffalo, N. Y., proprietors of Dr. Pierce's Favorite Prescription, that they offer \$500 reward for women who cannot be cured of Leucorrhea, Female weakness, Prolapsus, or Falling of Womb. All they ask is a fair and reasonable trial of their means of cure.

Dr. Pierce's Pleasant Pellets regulate the stomach, liver and bowels.
