BASKET BALL

Monmouth Again Defeats Albany By a Score of 29 to 7 Revival Services

Monmouth Citizens Waking Up Nebraska Families Coming In Second Semester Opened

(MONMOUTH SPECIAL)

The Normal basket ball team defeated Albany College Friday night, the score being 7 to 29. The Normal boys were in bad condition from the game with Washington so several of the second team men were put in the game. While a few minutes was all that was necessary to show the superiority of the Normal team, still the game was a very interesting one and was played with the best of feeling among the players.

The Albany boys, in the two games played here this season, have proven themselves gentlemen and have made many friends by their sportsmanlike conduct.

Every man of the Normal team played his position in fine shape. The positions were filled as follows:
O. S. N. S. Albany College.
Murphy, F Capt Nelson, F
Force, F Stine, F
Stine, F McDaniel, F
Boche, C Rupert, C
Crowley C Cleek, G
Butler, G Smithson G
Coffee, G

Goals thrown from field by Monmouth—Murphy 2, Force 2, Coffee 4, Stine 3; by Albany—Nelson 1.
Goals from fouls, Murphy 2, Cleek 5. Referee, Bilyeu of Albany; umpire, Sloan of Monmouth.

The league game with Newberg will be played in the Normal gymnasium in the near future and should be a close contest as Newberg has the reputation of playing fast ball.

The attack made by the ladies' team, of Willamette University, as to the manner of playing of the ladies' team of the Normal, is baby act pure and simple and no institution of higher learning should permit the student body to take part in athletic contests without first giving them a few pointers as to how to accept defeat without making themselves ridiculous.

The second semester of the Normal opened this week. A large number of new students are here ready to take up the work. The prospects for the school are better than for many years, the enrollment being the largest the institution has enjoyed since it was placed on a purely Normal school basis. The citizens of Polk county have a right to be proud of this institution.

Where is the Angelus?
The Angelus is the most popular and best quality ladies' \$2.50 dress shoe in the world.

The Angelus is now on sale at S. M. Daniel's big dry goods store in Monmouth. See the display in his show window.
Buy the Angelus shoe once and you will have no other.

Miss Carrie Danneman, of Corvallis, spent Saturday and Sunday with friends here.
Simpson Bros. have made extensive changes in their book store which have improved the appearance very much.

The north west storm of Sunday was about the worst this winter.

Mrs. Doctor Douty has rented the property formerly occupied by Mr. Ziegler and has moved into it.

Revival services are being held at the Christian church, and the pastor, Rev. Brown, is delivering some excellent sermons. Splendid music by a

choir composed mostly of Normal students and under the direction of Prof. Powell, has also proven an attractive feature of these services.

The Misses Sears, of McCoy, have entered the Normal.
A meeting of the citizens of Monmouth is on tap for the near future, the object of which is to formulate and put in operation plans for cleaning and beautifying the city.

A number of families from Nebraska are expected to arrive here about March 1st and will locate in this locality if farms can be bought.

Mr. Bruce Wolverton, of Portland, was in town over Sunday, greeting old friends and relatives. Mr. Wolverton is a very active prohibitionist.

The Ministerial convention held here Monday was pretty well represented.

Rev. S. A. Siewert was called to Kings Valley to preach Saturday and Sunday, and the Rev. George Stroupe filled the pulpit here in his place.

A protracted meeting is in progress at the Christian church. They have had some joiners.

The Normal team is very much disorganized at present as three of their numbers graduated with the February class. Among the three, two were the Misses Leader, who have been the bright and shining stars of the team for three years. With the team broken up so badly it is quite probable that Roseburg will win as they have the reputation of playing great games.

Prof. E. M. Smith and wife, of McCoy, spent Saturday and Sunday in Monmouth.

L. W. Waller has been very sick for several weeks and is reported no better.

About 80 of the Normal students took the state examination at Dallas last week. A special motor was run for their accommodation.

Miss LaVern Fenton, of McMinnville, is visiting relatives here.

Republicans from this place attending the banquet at Independence Saturday night reported a most enjoyable time and all join in saying it was the greatest spread ever had in the country.

The Normal basket ball team will leave Tuesday to play a series of games. They will meet Salem Y. M. C. A., Tuesday; Oregon City Y. M. C. A., Wednesday; Multnomah Club, Thursday; Y. M. C. A. All Starr Friday, McMinnville College, Saturday; The boys are in fine shape and should give good accounts of themselves while on their trip.

The Roseburg High School girls team will play the Normal girls Thursday night.

Rev. Allen was given a pleasant surprise on Wednesday evening his birthday anniversary. Upon return from prayer meeting he found some 75 members of the Baptist churches of Independence and Monmouth gathered at Mrs. Sacre's, his boarding place. Refreshments were served and a gold watch was presented to the pastor in behalf of the two churches. Joseph Craven made the presentation speech.

"I lost courage and thought I would never regain my health."
"Three years of delicate health trying doctors' prescriptions and patent medicines" without benefit might well sap the courage of any woman. And yet Mrs. Bryant proved that the question of the cure of womanly disease is only a question of using the right remedy. A few doses of "Favorite Prescription" restored her courage and revived her hope, because she could see "a decided change from the first." Three

months' use of the medicine restored her to perfect health.
Dr. Pierce's Favorite Prescription cures irregularity, dries weakening drudges, heals inflammation and ulceration, and cures female weakness. Mrs. Sarah Bryant, President of Memphis Social Science Club, residing at 272 Aldrich Ave., Memphis, Tenn., writes: "I suffered with delicate health for three years, trying doctors' prescriptions and patent medicines until I lost courage and thought I would never regain my health, but a few doses of your 'Favorite Prescription' made me healthy again. Could see a decided change from the first, so I kept on taking it for three months faithfully and am now in perfect health."
Dr. Pierce's Medical Adviser, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.
