Eastern Star High Jinks.

The Adale Chapter of the Eastern Star from Independence visited the Dallas lodge Tuesday night, going over on the regular motor at 6:15 and a special motor bringing them back about midnight. One candidate was initiated by the Marion Chapter. The tables in the banquet rooms were laden with delicacies, very pleasing to the taste, and they were beautifully decorated with Spring flowers. A very good time was experienced by all. Visitors were: Mr. and Mrs. S. Dickinson, Dr. and Mrs. O. D. Butler, Mr. and Mrs. Hank Madison, Mr. and Mrs. Word Butler, Mrs. E. T. Henkle, Mrs. John Wilson, Mrs. J. C. Kirkland, Mrs. J. E. Hubbard, Mrs. John Richardson, Mrs. McCandless, Mrs. I. L. Smith, Mrs. Lilly Smith, Mrs. P. Bowden, Mrs. May Babbitt, Mrs. Ingram, Mrs. Mix, Mrs. Chas. Iliif, Mrs. F. Rice, Misses Maude Iliif, Gertrude and Belle Dickinson, and Miss Burke, Bud Cooper, P. M. Kirkland and Prof. Newbill, also Mr. and Mrs. J. B. V. Butler and Willard Percival of Monmouth, Mrs. A. J. Richardson of Buena Vista and Mrs. Anna Wilson of Airlie.

A guessing contest was an interesting feature of the evening. Questions were asked and author's names were used in the answers. Mrs. J. E. Kirkland of Independence won the prize of a book, "A Hunt in The Wilderness," by Theodore Roosevelt.

Known Here.

Wayne M. Williams who died at The Dalles, at 12 o'clock Sunday, March 27, was born in Missouri, March 1, 1845, and in his infancy the same year, was brought across the plains by his parents, who settled on the Luckiamute in the Fall of 1845, where he grew to manhood. He resided for a number of years here and served as city marshal during the years of '95 and '96. He also served in the capacity of constable. Six years ago he went east of the mountains, making his home in Walla Walla and the past four years at The Dalles. He was the son of the late James C. Williams and wife. He left a wife and two children, Mrs. Poling, wife of Rev. D. V. Poling, and Edward Williams, both of The Dalles. Five brothers and three sisters survive him. Mr. Williams was a general favorite among those who knew him.

Band Concert.

The concert by the Normal Cadet Band given in the opera house Saturday evening was a decided success financially as well as artistically. Our people were glad to show their loyalty to the boys and appreciation of their efforts to build up an organization worthy of the county and of the institution whose name it bears. The talent assisting was well chosen and afforded a delightful variety in the program.

Miss Genie Snelling's recitation of a war ballad was rendered very well indeed, the piano accompaniment by Miss Laura Snelling being quite effective. Mrs. Conkey's singing is always pleasing and the audience showed its approval unmistakably by demanding an encore, which was graciously given. Miss Olga Valeria Boatman's reading of the "Rose of Avondale" was very dramatic and she was compelled to respond with an encore.

The instrumental solos of Messrs Frank Lucas, cornet, and Burns Powell, trombone, were also well received, each responding to encores. The Normal Male Quartet, composed of Messrs E. D. Reessler, F. Lucas, Jay Powell and P. O. Powell, sang Vogel's "Waltz Song," and their efforts were appreciated

to such an extent that a rousing encore was accorded them.

The band is worthy of great praise for its part in the program. Many a larger city might well be proud of as good an organization. Few amateur bands can equal the Normal Cadets in precision of attack, modulation, balance and playing in tune. The leader, Frank Lucas, had them well in hand at all times, and they responded readily to his baton.

Annual Church Meeting.

The annual congregational meeting of the Presbyterian church of this city was held on Friday evening the 25th. A large audience filled the church and was much interested in the proceedings. Dr. Thompson acted as moderator and W. G. Sherman as clerk. Very excellent reports from the different organizations of the church were read and adopted. These reports showed that the church is in a prosperous and promising condition and much valuable work had been accomplished along all lines during the past year. The church roll has over 100 names. The election of officers to fill the annual vacancies resulted as follows: Mr. William Riddle and W. G. Sherman, elders for the term of three years; C. W. Butler and Thomas Pomeroy deacons for one year; Dr. O. D. Butler trustee for three years. A fine musical and literary program prepared by Mrs. Babbitt and rendered by the young folks was given, after which the ladies served a fruit lunch which all enjoyed. The exercises closed with a good social time in which all participated. The church starts forward on another year hopefully, contemplating making some needed and important improvements to the church building.

Social Whist Club Met.

The Social Whist club met at the home of Mrs. J. S. Cooper last night, after a two week's vacation Mrs. J. E. Hubbard won first prize for ladies and Dr. O. Butler, by superior playing, was enabled to wear the gentleman's prize badge another week. Mayor J. S. Cooper and Mrs. George Conkey shared the booby honors. The club was pleasantly entertained with refreshments.

ONE OF DR. CUPID'S PRESCRIPTIONS.

That Love sometimes cures disease is a fact that has recently been called to the attention of the public by a prominent physician and college professor. In some nervous diseases of women, such as hysteria, this physician gives instances where women were put in a pleasant frame of mind, were made happy by falling in love, and in consequence were cured of their nervous troubles—the weak nervous system toned and stimulated by little Dr. Cupid—became strong and vigorous, almost without their knowledge. Many a woman is nervous and irritable, feels dragged down and worn out, for no reason that she can think of. She may be ever so much in love, but Dr. Cupid fails to cure her. In ninety-nine per cent. of these cases it is the womanly organism which requires attention; the weak back, dizzy spells and black circles about the eyes, are only symptoms. Go to the source of the trouble and correct the irregularities, the drains on the womanly system and the other symptoms disappear. So sure of it is the World's Dispensary Medical Association, proprietors of Dr. Pierce's Favorite Prescription, that they offer a \$500 reward for women who cannot be cured of leucorrhoea, female weakness, prolapsus, or falling of the womb. All they ask is a fair and reasonable trial of their means of cure. Dr. Pierce's Pleasant Pellets clear the complexion and sweeten the breath, they cleanse and regulate the stomach, liver and bowels and produce permanent benefit and do not react on the system. One is a gentle laxative. "The Common Sense Medical Adviser" is sent free, paper-bound, for 21 one-cent stamps to pay expense of mailing only. Send 31 stamps for cloth-bound copy. Address, World's Dispensary, Buffalo, N.Y.
