THE WHITE CORNER (TRADE MARK)
SALEM'S GREATEST STORE

SALEM, OREGON.

OUR SERVICE

Only by serving you well can we learn to serve you better. Experience has taught us that to be favored by an ever increasing patronage means more than ordinary methods, merchandise, and service. Restless energy in all departments of this great outfitting business is the motive power, the power that brings us patronage, that holds it, that increases it every business season.

Ladies' Tailor Suits

Our showing of the new styles in Ladies' Tailor-made Suits is larger than all the other stores combined and includes Flannels, Voiles, Chevots, fancy mixtures and plain materials, best colors, lowest prices. All new, exclusive models from the best garment makers in the land. Let us show them to you.

Mens' Clothing

The kind of clothes particular men like is what you find here. Clothing properly tailored, correct fitting, latest materials and fashions, and our guarantee of thorough satisfaction goes with every garment. Men who buy one Suit or Top Coat here never fall to come again. Isn't this a good recommendation?

Ladies' Neckwear

The largest and best showing in the city—every new style—every new novelty. Beaded stocks with ruffling, new linen sets, new heavy embroidered novelties, new lace effects, new lace collars.

Mens' Neckwear

We've rarely shown such a collection of rich, soft, refined colorings. All the new styles, shapes and colorings are here in great profusion and all are at prices that will please your purse.

Dress Goods

Spring Dress Goods are radiantly ready. The prettiest and daintiest designs are all confined to our store. All in all the display is second to none in Oregon, and is so important that no woman who wants to know "what's what" can afford to miss it.

Shirt Waists

No woman knowing the scope of our White Waist stock and familiar with our scale of prices will buy elsewhere—unless there exists a strong, compelling, personal reason for her doing anything so rashly extravagant. See the new stock.

ADDITIONAL LOCALS

Benton county democrats will support Hearst for president.

W. E. Yates has been nominated by the republicans of Benton county for state senator.

Mrs. S. T. Frazier and little son of Corvallis returned home Tuesday after visiting several days with Mrs. Frazier's sister Mrs. Homer Hill.

F. P. Talkington and Eugene Eckerlin, two saloon men of Salem, have been arrested by City Marshal Gibson for keeping open on Sunday in violation of ordinance.

The rise in cotton twine will cost Oregon hop growers quite a little sum this year. A few years ago hop twine could be bought at 12 to 14 cents but is now quoted at 24 to 25 cents.

Next Sabbath at the M. E. church the pastor will preach morning and evening. Subjects: 11 a. m., "Intercessory Prayer," 7:30 "Justification, or the Sinners Changed State before God." Hearty singing at each service.

By a vote of seven the "open saloon" element won over the "close town" at Woodburn Monday. This is the first time in six years that the "wets" have won out in Woodburn. In Eugene the anti-saloon people elected one councilman out of four.

At the M. E. church on Sunday last were held two very interesting services. As is customary the missionary side of the church work was emphasized. In the evening the children had a program. The choir also did good service both morning and evening. The church was very prettily decorated in yellow and white and an abundance of plants and flowers. Monday evening the missionary meeting was addressed by Rev'ds. F. L. Moore of Corvallis and James Moore of Dallas.

The First Baptist church met in the regular covenant and business meeting Saturday April 2. The purpose of the meeting was very satisfactorily carried out. Several decided steps were taken and the future outlook is quite promising. It was decided that Rev. Arthur S. Allen devote his full time to the work here, holding services morning and evening of each Sunday, beginning April 10. Also the time of B.Y.P.U. was changed to 6:30 p. m., beginning April 10. About sixty members attended the Communion service on Sunday. A business meeting of the B.Y.P.U. is called for Saturday at 7:30 p. m.

"I have used Chamberlain's Stomach and Liver Tablets with most satisfactory results," says Mrs. F. L. Phelps, Houston, Texas. For indigestion, biliousness and constipation these tablets are most excellent. Sold by all druggists.

April Fool Dance.

The ladies of the Rebekah order gave a dance at the Auditorium Friday evening, April 1, that was one of the delightful social functions of the season. It was given as an April fool dance and brought out a good sized crowd. The floor of the large hall was in good condition and it had all the dancers that could be comfortably accommodated until an early hour Saturday morning. The latter part of the program was in charge of the ladies; a new feature, well received. Music was furnished by McElroy's orchestra. Refreshments were served in the dining parlor back of the stage. The April fool dance was a successful affair as all social functions undertaken by the Rebekahs are.

TYPHOID GERMS.

The microscope shows that in the blood of every person suffering from typhoid the little germs can be found as shown above. They are supposed to get into the water or milk we drink. The germs multiply so that one germ is capable of producing about one hundred trillion germs in twenty-four hours. That is why if they ever get into the water supply of a town they multiply so fast that nearly everybody drinking the water comes down with the disease. There are exceptions, however, and they are the persons whose health is perfect, whose blood is pure, and liver active. When the germs get into a healthy body they are thrown off with the other poisons. Recent Chicago statistics show that one-eighth of all the deaths in the past two years in that city have resulted from pneumonia.

The best advice we can give is to put the body into a perfectly sound, healthy condition. Be assured that you have rich, red blood and an active liver. Many years ago Dr. E. V. Pierce, who is consulting surgeon to the Invalids' Hotel and Surgical Institute at Buffalo, N. Y., found certain herbs and roots which, when made into an alterative extract (without the use of alcohol), seemed to be the very best means of putting the stomach, blood and vital organs into proper condition. This seemed to him as close to nature's way of treating disease as it was possible to go. For over a third of a century Dr. Pierce's Golden Medical Discovery has had a wonderful sale and the cures resulting from its use are numbered by thousands. It is a tissue-builder, better than cod liver oil because it does not sicken the stomach, or offend the taste. It strengthens or renews the assimilative or digestive processes in the stomach and puts on healthy flesh when the weight of the invalid is reduced below the normal. Accept no substitute for "Golden Medical Discovery." Nothing else is "just as good."

Dr. Pierce's Pellets cure biliousness.
