**Snappy Spring Styles**

**What's the Sense**

in waiting a week on your tailor when you can come here and walk off with a suit that fits as good as any "merchant tailor's," and embodies the snappiest style, and the handsomest material?

Then think of the variety you have to select from. What merchant tailor can lay before you such a varied assortment from which to match your individual preference? Added to all this, the price is very much lower than you would have to pay the tailor. Have you any objections to saving difference? The illustration shows one of the most popular leaders, bearing the famous Schloss label which stands for solid merit. The price range starts at
