

DEMOCRATIC RESOLUTIONS

Democratic Conventions Adopt Resolutions Concerning State and County, and Some Other Matters.

Following is the Polk county democratic platform adopted last Saturday, as it applies to state and county affairs:

"We heartily endorse and commend the administration of Governor George E. Chamberlain as wise, patriotic and economical.

We reaffirm our demand for flat salaries for all officers, and the cutting off of all unnecessary and illegal fees and commissions.

We favor the election of United States senators by a direct vote of the people, thereby doing away with legislative hold-ups, and the disgraceful corruption incident thereto, and the nominees of this convention are hereby pledged to the support of this declaration.

We condemn as unwise and contrary to the best interests of the people the act of the last legislative assembly of the state of Oregon, amending the Australian ballot law of this state, for the reason that the ballot law as it now stands safeguards elections and secures an honest expression of the views of the people, while the proposed amendment defeats these purposes and has a decidedly contrary effect; and we commend and endorse the action of Governor Chamberlain in vetoing said proposed amendment.

We congratulate the people of Polk county upon their present excellent financial condition, and commend the action of the county

court for redeeming their pledge of four years ago to pay off the county debt then amounting to over \$115,000, and bearing an interest of more than \$700 a month; and while taxes have been heavy, principally by reason of an exceedingly high state levy, the people are now in the best financial condition and have more to show for their expenditures than ever before in the history of Polk county.

Robbed the Grave.

A startling incident is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guaranteed at A. S. Locke's drug store.

Sciatic Rheumatism Cured.

"I have been subject to sciatic rheumatism for years," says E. H. Waldron of Wilton, Oregon. "My joints were stiff and gave me much pain and discomfort. My joints would crack when I straightened up. I used Chamberlain's Pain Balm and have been thoroughly cured. Have not had a pain or ache from the old trouble for many months. It is certainly a most wonderful liniment." For sale by all druggists.

MRS. CECILIA STOWE,
Orator, Entre Nous Club.

178 Warren Avenue, Chicago, Ill., Oct. 22, 1902. For nearly four years I suffered from ovarian troubles. The doctor insisted on an operation as the only way to get well. I, however, strongly objected to an operation. My husband felt disheartened as well as I, for home with a sick woman is a disconsolate place at best. A friendly druggist advised him to get a bottle of Wine of Cardui for me to try, and he did so. I began to improve in a few days and my recovery was very rapid. Within eighteen weeks I was another being.
