Mens' Clothing

Models of perfection in every detail of construction, true specimens of the excellence attained in spring styles. Strikingly noticeably is the undefinable character termed style; revealed upon sight. The swagger appearance, swell haug, neatness of finish and general shapeliness of the garments, proclaim expert tailor work and characteristic cutting to anyone that knows good clothing when he sees it.

New Pastor For Monmouth.

Rev. A. A. Beery has recently bought and moved into the Dicus property in Monmouth. Rev. Beery comes from Hood River and the Hood River Glacier has to say of him in its last issue: "At the morning service at the Christian church last Sunday, Rev. A. A. Beery tendered his resignation as pastor, to take effect June 1, 1904. The congregation with much regret accepted his resignation. Mr. Beery came to Hood River some six months since and has been an earnest, hard working minister and has done much good in this neighborhood. He is of an extremely genial nature and a very interesting talker. He has infused new life and energy into the Sunday school and Endeavor society and drawn large audiences to attend Sunday services. The congregation will feel the loss of Mr. Beery and it will be a long time before they can replace him with as fine a scholar, as fluent an expounder of the Bible, and as eloquent a speaker. His sympathies were always extended to those in sorrow or affliction, and he was always ready to sacrifice self in his efforts to advance the cause of Christianity. His congregation express deep regret that circumstances are such that compel him to ask the release of his obligations, and their best wishes will attend him wherever his lot may be cast."

WHAT CAME OF A LETTER.

My Dear Aunt Kate:
 I must tell you the good news. Right after receiving your letter, the day before New Year's I started in with new resolutions on the first of the year. I wrote to Dr. R. V. Pierce, at Buffalo, N. Y., as you requested me to do. I gave him all my symptoms, which were that I was tired—so tired—all the time and did not care to go anywhere, depressed and sad, and all ambition gone, backache and a dragged-out feeling, could not sleep, limbs feeling sore and aching. I followed the doctor's advice, which he went to considerable pains to make plain to me—to rest every day—a nap after lunch—complete relaxation—cultivate repose of mind, try not to worry, get as much outdoor air as possible, and practice long, deep breathing, expanding the lungs. Then for a uterine tonic, Dr. Pierce's Favorite Prescription, coupled with a wash he told me of. I must say that after following his advice for four months I feel perfectly cured and like a new woman.

Yours affectionally,
 JEWEL.
 Letters like the above are not unusual. Mrs. Kooman, of 832 Grant with the medicine until I had taken five bottles, also two vials of the "Pleasant Pellets," and I was cured. I always recommend Dr. Pierce's medicines to my friends when they are not well.

"My daughter is in quite good health, thanks to Dr. Pierce's medicines. My wishes are that all who are afflicted will try them and see what good can be done for the sick," writes Mrs. Elizabeth McConnell, of Rochester, Ind.
