 THE WHITE CORNER (TRADE MARK)
 SALEM'S GREATEST STORE
 SALEM, OREGON.

We are Ready
 With the largest stocks and best values for the warm weather season. As usual with us you will find the biggest assortment and the best values. Only worthy and reliable garments are to be found here. No matter how low the price, quality must be right.

Warm Weather Underwear
 When you are ready to consider this question we are ready to discuss it with you. We have more and nicer than ever, and our prices are particularly pleasing.

Young Men
 The most correct new suits—suits made for young men especially, of which style, cut and fabric is absolutely correct—will find here just what they want. We are the only store making a specialty of young men's clothes. Let us show them to you.

Accessories
 Drawing near to graduation day, and the time in which to decide the question of what the girl graduate will wear seems short enough. We have a beautiful line of the simple white fabrics that are approved for the occasion; or if your taste leads rather to the selection of colors, there are plenty of silk mulls and other fine stuffs in a great variety of shades. Gloves, fans and hose included.

Furnishings
 News about furnishings for men are most easily and satisfactorily read in this "reading room" of neckwear and hosiery styles for the male who gives a thought to his personal appearance and comfort. Might say in this space, though, that for beauty of pattern, richness and value for cost, our offerings hold the highest rank.
 Men's hats, all the season's newest shapes, 5c to \$3.50.

HORSELESS CARRIAGE.

A Practical but Unkind Joker After the Election is Over.

The funny program in connection with the election was carried out at two o'clock today in the presence of a full crowd. The chief feature was a bet between Sam Downs and Amos Vaughn. In the event of the election of Mr. Eddy Sam was to push Amos from Beals' office to the Allen House and return, in a crazy wheelbarrow and in case of Eddy's defeat vice versa. So at the appointed time Amos appeared with his barrow, arrayed in a dounce cap of magnificent proportions and a sign, printed in large letters, "I am the whole push" on his back. Sam was on hand too, dressed to kill, wearing a silk hat, and carrying a large banner on each side of which the posters were pasted bearing the never-to-be-forgotten words, "Vote for two Circuit Judges; George H. Burnett and B. L. Eddy." Charley Reynolds acted as Master of Ceremonies and a band of small kids, armed with oil cans and clubs, attracted the crowd. Everybody in Tillamook was there, and then some, and the fun proceeded. It was the nearest thing to a complete circus Tillamook has seen in a long time, and all present enjoyed the performance.—Tillamook Independent.

On Howell Prairie, a few miles from this city may be seen something of a phenomena, which is called mirage, an optical illusion arising from the unequal refraction which causes remote objects to be seen double as if reflected in a mirror or body of water. This, we understand, was discovered many years ago, but few people are aware of the fact that such conditions really exist in that vicinity and few have taken the pains to investigate. A. Whitlock's attention was attracted by the phenomenal conditions while he was riding along the road recently, and since having called attention to the matter quite a little interest has been aroused. Last Sunday Prof. J. K. Buff and C. N. Matlock wheeled out to the scene of the mirage and found it of sufficient importance to be really interesting.—Silvertonian Appeal.

IF YOU WANT TO KNOW WHAT AILS YOU
 The U. S. mail will bring you the best medical advice for only the cost of writing materials and stamps.

Many people owe their present good health to the fact that they consulted Dr. Pierce by letter, giving him all possible information about their condition, symptoms, etc., and received in return good medical advice which cost them nothing. Write to Dr. R. V. Pierce, founder of the Invalids' Hotel and Surgical Institute, Buffalo, N. Y. Dr. Pierce by no means confines himself to prescribing his well-known medicines. He tells you in the most common-sense way what ails you, what you ought to do, what line of treatment should be followed out in your particular case, and if your case does not indicate the need for this proprietary medicine, he tells you plainly and frankly what you do need, and the best possible method of improving your health. Dr. Pierce treats many chronic cases at a distance, through the mail, and all you have to do is to write him your symptoms.
 "During my two years of married life I have not had good health," writes Mrs. Daisy Studdard, of 608 S. Esplanade Avenue, Leavenworth, Kans. "I was all run-down, and my husband got me to write to Dr. Pierce. I got an early reply telling me what the trouble was. I commenced taking Dr. Pierce's Favorite Prescription, and also the 'Pleasant Pellets,' and now I can say that I feel like a new woman. I do all my work and do not feel tired out like I used to. I have taken eight bottles of the 'Favorite Prescription.' It makes me feel well and strong."
 Dr. Pierce's Pleasant Pellets cure dizziness and sick headache.
