City school board: "Mrs. Nedra
Meadow, Dear Marion—We with
sincere regret that this Board has
received your resignation of the
Principalship of the Eastham
school to which position we re-
cently selected you. Your ser-
vices in the past have been so emi-
nently satisfactory that we hoped

our schools might have the benefit
of your presence and direction for
another year at least. As you can
see we now have no time to remain with
us any longer we can only express
our regret at the loss of your services
and assure you that we feel
that in your withdrawal from our
schools we lose one of our most
valued institutions, and the super-
loved friends as well as another
whose kind and sympathetic inter-
est in their studies and welfare was
always manifest. The parents
whose children have been fortunate
enough to be under your care and
instruction well know and appreciate
the work that you have done in
building up the character of their
girls and boys and inspiring them
with an earnest wish and desire to
be and become ladies and gentlemen
as well as scholars, and than
the precept and the advice you
have given them will be of
permanent and lasting benefit. In
conclusion we thank you on behalf
of the citizens of this district as
well as ourselves for the valuable
work you have done for us in our
schools and with best wishes for
your future health and prosperity
we remain Signed by themselves.
