Ladies' Underwear

Heavy undergarments that served to good purpose during the unusually long drawn out winter are all together unsuited for this weather. Consequently our counters are thronged by seekers for lighter knit underwear. Our stock includes the standard makes in many varieties. The combination suits are so full of warm weather comfort that a great many will not consider any thing else. Enough stock to quickly supply the multitude.

THE SILK SECTION

Looks good to summer shoppers. A great quantity of new things for summer wear. Silks that have come out late—designs and colorings direct from the loom. A number of new silks for shirt waist suits will make their first appearance this week, together with an immense variety of new novelties. Brand new patterns such as others stores sell for dollar yard.

A big event in Oregon next year will be the national roads convention which will meet in Portland. Before that time we should put our roads in the best condition possible and then learn everything possible about their improvement after wards. It is expected this convention will bring 4,000 representative men to Oregon.—Roseburg Plaindealer.

Official returns show the next Oregon legislature will consist of 73 republicans, 1 independent republican and 16 democrats, a gain of two republicans over the legislature of 1903. The Senate will have 24 republicans and 6 democrats and the House 50 republicans and 10 democrats.

The Prineville papers are involved in rather a peculiar newspaper war. Their differences are not political, but of hymenal nature. Both editors are young, good looking and are single. Mr. Bailey says Mr. Kennedy is soon to be married, and Mr. Kennedy denies the charge and says Mr. Bailey will soon become a benedict. Who will win the fight is not known, but the matter will be watched with deep interest—by two young ladies.—Medford Mail.

BLOOD CELLS.

IN HEALTH. IN DISEASE.

Man is a millionaire many times over in the possession of blood cells. Woman is not quite so rich, for scientists have proven that the normal number of red blood cells in adult men is five million; in women four and a half million, to the square millimeter. The normal cell is not only round, but is perfectly regular in shape. Every one can be in perfect health and possess the millions of rich red blood corpuscles if they only know how to go about it. Dr. R. V. Pierce, consulting physician to the "Invincible" Hotel and Surgical Institute, at Buffalo, N. Y., advises every man and woman to prepare for a long life by observing nature's laws. In the first place, if your digestion is faulty, and the food you eat is not taken up by the blood and assimilated properly, you need a tonic and digestive corrector, something that will increase the red blood corpuscles; he believes in going about this in nature's own way. Years ago, in his active practice, he found that an alterative extract of certain herbs and roots, put up without the use of alcohol, would put the liver, lungs and heart into fuller and more complete action. This medicine he called Dr. Pierce's Golden Medical Discovery. By assimilating the blood, and instead of the ill-shaped corpuscles, the person's blood takes on a rich red color and the corpuscles are more nearly round. Nervousness is only the cry of the starved nerves for food, and when the nerves are fed on rich red blood the person loses those irritable feelings, sleeps well at night and feels refreshed in the morning.

KNOWLEDGE IS POWER.

If you want to know about your body, read Dr. Pierce's Common Sense Medical Adviser, which can be had for the cost of mailing, 31 cents in one-cent stamps for the cloth-bound book, or 21 stamps for the paper-covered volume. 1600 pages. Address Dr. R. V. Pierce, Buffalo, N. Y. Dr. Pierce's Pleasant Pellets cleanse the bowels and stimulate the sluggish liver.
