## No Doubt About It

No doubt but Salem as a point for  
economical buying in all lines of mer-  
chandise surpasses all her sister cities.

No doubt  
there is  
more truth  
than  
poetry in  
our  
statements.

NOWHERE are  
quantity and  
quality more univer-  
sal and prices so uni-  
formly low. Few peo-  
ple realize that al-  
most a dozen stocks  
of furniture are ex-  
hibited here. Salem  
is known through-  
out the west as the  
town where furniture  
is sold cheap.

It is an undisput-  
ed fact that Sal-  
em's furniture in-  
terests represent  
more capital than  
that of any sim-  
lar city.

who trade at our store
