### DR. DARRIN AT WORK.

The Celebrated Specialist at the Hotel Corvallis.

(Corvallis Gazette.)

Dr. Darrin, the celebrated specialist, and wife, arrived in this place Tuesday, and have offices at the Hotel Corvallis where the doctor will administer treatment to the afflicted. Dr. Darrin needs no recommendation, for the wonderful cures effected by him throughout the state during his many years of practice in Portland speak for themselves and are living testimonials of his superior skill and success in the treatment and cure of the most stubborn and aggravated cases and chronic diseases. We have known the doctor personally for years and have come face to face with many of his patients after being successfully treated by him. In our business relations we have always found him to be strictly reliable and a gentleman of prompt and practical business methods. His treatment by medicine and electricity has become so popular with the afflicted that his patients do not seek in vain for relief from the ills that flesh is heir to, which is positive proof of the superiority of his electrical treatment over all other methods of cure.

The doctor makes a specialty of diseases of the eye, ear, nose and throat, catarrh, deafness, bronchitis, la grippe, heart, liver, bladder and kidney diseases, or those who suffer from apathy and indifference; also genito-urinary and skin diseases in either sex, such as blood taints, seminal weakness and lost vigor, varicocele and stricture. Eyes tested and glasses fitted.

All curable chronic diseases treated at \$5 a week, or in that proportion of time as the case may require. No case published except by permission of the patient. All business relations with Dr. Darrin strictly confidential. Electrical appliances furnished. One visit is desirable, though many cases can be treated by home treatment by writing symptoms.

Office hours from 10 a. m. to 5 p. m.; evening 7 to 8. Sunday 10 to 3. The worthy poor will be treated free except medicine, according to his time-honored custom from 10 to 11 a. m. daily.

Among those successfully treated may be mentioned ex Senator Geo. Chandler's son, of Baker City, who had heart trouble and general debility; cured and gained 30 pounds.

J. A. Lindsay, of the Southern Pacific, residence Mt. Tabor, Or., is happy over the cure of consumption, bronchitis and catarrh, performed by Dr. Darrin eight years ago. He gained 24 pounds and kept it ever since. Mr. Lindsay has great cause for rejoicing.

### How Young Mr. Byers Recovered His Hearing

(Salem Journal, June 22, 1902.)

Mr. A. J. Byers, of Independence, accompanied by his son, A. G. Byers, called at the Journal office this afternoon and made a statement relative to the condition of the young man. He had been deaf from his infancy, and later the difficulty gradually increased to such an extent that he was almost totally deaf. Two months ago the young man came to Dr. Darrin for treatment and today called at the Journal office to state that he could hear as well as anybody. The reporter talked to him in a low tone of voice and was convinced that his hearing was of the best. This remarkable cure of necessity makes the young man feel happy, and his father is more than pleased. Their purpose in coming to the Journal office was to make a statement to the public concerning the wonderful cure.

I, A. G. Byers, being duly sworn, depose and say that the above statement written by the Journal reporter relative to my being healed of deafness by Dr. Darrin is absolutely true.

### HOW TO WIN A HUSBAND.

Woman's sphere in this 20th century is not limited any more than man's. She can occupy almost any business position or profession, and yet the popular view of womanhood is that she best fits the position of wife and mother and head of the household. Every girl should know her heart and also know that her womanly system is equal to the strain of marriage. If a girl is nervous and irritable ten chances to one it is due to some trouble peculiar to womanhood.

Cupid has no place in a girl's heart if she is nervous and irritable, feels dragged down, worn out for no reason that she can think of. The weak back, dizzy spells and black circles about the eyes are only symptoms. Go to the source of the trouble and correct the irregularity. Stop the drains on the womanly system and the other symptoms will disappear. This can be done easily and intelligently. So sure of it is the World's Dispensary Medical Association, the proprietors of Dr. Pierce's Favorite Prescription, that they offer \$500 reward for women who cannot be cured of leucorrhoea, female weakness, proflapsus, or any other ailment. All they ask is a fair and reasonable trial of their means of cure.

"Your Favorite Prescription" cured me of ulceration and inflammation, from which I suffered for many years," writes Mrs. Delphin Wheaton, President Santa Barbara Lawn Tennis Club, Arlington Hotel, Santa Barbara, Calif. "Health was completely broken down when I began its use and I was in dreadful pain most of the time. Six bottles cured me."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.
