Judge Whitney's Experience.

One of Albany's Most Prominent Citizens Cured of Deafness by Dr. Darrin

Judge Whitney, so well and favorably known throughout the country and state is another witness to the workings of electricity, as he has just come out of the "electrical chair," not electrocuted, but cured of deafness by Dr. Darrin, the specialist, who is now located at Hotel Corvallis. Dr. Darrin is perfectly frank in telling each one the true condition of his or her case, and just what might be expected as the result of treatment, or whether any treatment would do good.

The rooms of Dr. Darrin are often crowded, and he is kept constantly busy. There are a great many people who will be glad to know that the Dr. has been prevailed upon to visit Corvallis again.

JUDGE WHITNEY'S OPEN LETTER.

ALBANY, OR.

Dr. Darrin—Dear Sir:—Your electrical and other treatment of my ear has been entirely successful. I have been for a number of years past troubled with a roaring in one of my ears, and I was gradually losing my hearing from some cause. My hearing had become so impaired that it was very difficult for me to hear any person talking in an ordinary conversational tone of voice. A short time ago I commenced taking treatment from you for the roaring in my head and deafness. The roaring in my head has entirely ceased and my hearing has returned so that I can hear as well as I ever could. You are at liberty to refer any one to me or publish this letter. Very respectfully,
J. J. WHITNEY.

DR. DARRIN'S PLACE OF BUSINESS.

Dr. Darrin is located at the Corvallis Hotel until October 28, and will give free examination to all. 10 to 5 or 7 to 8 daily. The poor free and those able to pay at the rate of \$5 a week or in that proportion of time the case may require. All curable chronic diseases of men and women a specialty.

No case published except by permission of the patient. All business relations with Dr. Darrin strictly confidential. Electrical appliances furnished. One visit is desirable, though many cases can be treated by home treatment by writing symptoms. Eyes tested and glasses fitted. (Corvallis Times.)
