Polk County Against the World Wins More Blue Ribbons for Fine Goats.

A Redhot Football Game at the Normal School Saturday is Won by "Vets."

### MONMOUTH

Miss Loretta Smith has gone to California, where she will take up a line of special work in the San Jose Normal. Miss Smith has been connected with the training department and public schools here for 13 years and was granted a year's leave of absence at her request, that she might familiarize herself with the various systems in vogue in the best Normals of California.

Mrs. I. H. VanWinkle, of Salem, is visiting her parents Dr. and Mrs. Parrish.

C. C. and Miss Lora Lewis have returned from Rocca where they spent the summer on their timber claims.

Miss Christie Burkhead has gone to The Dalles where she will teach school this winter.

Mrs. E. F. Lucas is visiting in Portland.

Mrs. W. E. Bridwell and daughter, who are attending school in Portland, spent Sunday here.

Riddell Bros. were awarded one first premium on their goats exhibited at the St. Louis Exposition. They also secured reserve championship and one 4th place. This is a case of Polk county against the world, and as usual she got her share of the spoils. Hundreds of goats from all over the country were in competition and the boys are highly pleased with their success.

Normal campus was the scene of a spirited football contest Saturday afternoon, the Normal team being up against a picked team of old veterans of the gridiron. Weight and experience was with the "Vets" and they won 28 to 0. The game was not so one-sided as the score would indicate, however, fierce line plunges, speedy sprints, hard tackling and blocking being indulged in by both teams. The "Vets" were fortunate in having with them several players who have played on the best college teams of the country and the formations put up were decidedly fast and effective.
