

## BUT STILL IN RING

**McMinville Defeats the Normals in Football Game Last Saturday.**

**A Shower Party in Honor of Miss Stell Hampton on Saturday Evening Last.**

### MONMOUTH

Mrs. I. G. Singleton of Calif. is visiting her mother Mrs. J. P. DeWitte.

Mrs. Giest and family arrived here Thursday from Oklahoma and are visiting Mrs. Giest's parents Mr. and Mrs. Wm. Hoisington. They expect to buy a farm and locate in the blue ribbon county.

P. H. Johnson is building a handsome cottage for the purpose of accommodating one of the many renters who are at present unable to secure a house here.

Dr. J. M. Crowley is having a fine dairy barn built on his farm north of town.

More painting, repairing, general improving has been done in Monmouth this summer than for several years. The great need of the hour however is more good residences for renting.

Miss Millie Kouse and Grace Miller of the class '04, now teaching in the Salem schools spent Sunday here.

A motor load of Normalites went to McMinville Saturday afternoon hoping to see the Normal team win a victory from McMinville college on the gridiron. In their hope they were doomed to disappointment as they saw the Baptists score 11 points toward the close of the last half, while the teachers were unable to score. The score does not exactly tell the story of the day however, for during the first half the ball was in McMinville territory the entire time and the Normals failed to score only by their numerous fumbles. During this half the ball was twice on the Baptist 10 yd. line and at no time was it in Monmouth territory. In the second half Crowley, Stine, and Murphy were crippled and a lack of strong subs tells the story for the rest of the game. The condition of the grounds was simply awful, ridges, holes and lumps being all over it. As a result of playing on such ground Crowley, Stine and Murphy are probably out of the game for the season.

A shower party was given Miss Stella Hampton. A most enjoyable evening was spent and Miss Hampton was the recipient of many beautiful presents. Those present were Misses Carrol Huber, Nora Butler, Leone Cowan, Kathryn Cowan, Erma Hall, Ruth Mulkey, Lotta Boone, Bee Williams, Bessie Ireland, Claire Ireland, Lucile Burt, Sadie Craven, Maude Hawley, Eva Mulkey, Opal Boothby, Zilla Crowley, Ella Anderson, Claire Bentley, Bertie Bentley, Carrie Force. ### HER FATHER'S CRIME.

The Margarita Fischer Co. opens their engagement of three nights at the Opera House Thursday evening October 27, in one of the strongest southern plays ever written "Her Father's Crime". A story beautifully told and filled with strong scenes, startling climaxes. One who has seen and appreciated "Uncle Tom's Cabin" knows the beauty of a southern play and this is an exceptionally clever one. The cruel treatment a slave caused by a father exchanging his masters the patient blind mother, the revengeful young mistress, the meek slave all tend to make the story, while the faithful colored servants keep the comedy loving audience in laughter from start to finish. A play richly staged and costumed giving Miss Fischer and her entire cast a splendid opportunity to display their talents. The company is undoubtedly one of the strongest on the coast this season. Special features: The three Howards, Frank and Sam comedians, vocalists and dancers. Mabel the scottish nightingale, the pronounced Eastern success. Prices \$0.35 and 25 cents. Seats now on sale at Locke's drug store.

Three ladies appeared on Independence's street on horse-back Sunday. Woman in neat fitting habit, seated on a spirited horse looks her best. No form of recreation is more conducive to health. The exhilarating influence of outdoor atmosphere, the tension of muscles brought into action, the companionship of a real live horse combine to relieve the mind of things worldly. Horse-back riding puts buoyancy in the spirit, red corpuscles in the blood, elasticity in the step. In this western country of magnificent distances, sparse settlement and plenty of horses, every man should be a horseman, every woman a horse-woman.

Frank and Chas. Masterson started on a trip to southern Oregon Monday. They will go to their timber claims in Douglas county before returning.

Curt Hawley returned Wednesday from the St. Louis Fair where he spent two weeks. Mr. Hawley brought home with him the prize Lincoln ram which he purchased at the Fair.

The Model Tailors 66-71 Third St. Portland, Or. Please mention this paper.

Do you remember the little things that gave us so much pleasure when we were young? With what zest did we sit down to the table after our play was over and eat the mush and milk our mother put before us. But as we get older it takes more to give us pleasure. Mush and milk no longer tastes good to us, and our digestion may be impaired. The best advice we can give to such a person is to tone up the stomach with Dr. Pierce's Golden Medical Discovery. It is nature's most valuable and health-giving agent—made without the use of alcohol. It contains roots, herbs and barks, and is the concentration of nature's vitality as found in the fields and woods. This remedy has a history which speaks well for it because it was given to the public by Dr. R. V. Pierce, founder of the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., nearly forty years ago, and has since been sold by druggists in ever increasing quantities. Some medicines, tonics or compounds, enjoy a large sale for a few years, then disappear from the public attention, but Dr. Pierce's Golden Medical Discovery has proved such a reliable blood remedy and tonic that it often enjoys the confidence of several generations in a family, and its increased sales year by year coming from the recommendations of those who have tried it, prove its lasting merit, so that every bottle bears the stamp of public approval. Every other blood-maker and tonic for the stomach that we know of contains alcohol, but Dr. Pierce guarantees that no alcohol is contained in his "Medical Discovery."
