FOR PRESIDENT

Theodore Roosevelt, of New York.

FOR VICE-PRESIDENT

S. W. Fairbanks, of Indiana.

FOR PRESIDENTIAL ELECTORS

J. N. Hart, of Polk County.

G. B. Dimmick, of Clackamas County.

A. C. Hough, of Josephine County.

E. A. Fee, of Umatilla County.

The students of the Utah State

Agricultural college located at

Logan, Utah, have demonstra-

ted they cannot successfully

meet products of the Pacific

Northwest on the gridiron. In

Seattle they were unable to

score while the Washingtonians

easily scored 45 points against

them. At Corvallis Wednesday,

exactly the same score and fail-

ure to score was repeated. Here

it was the brain and brawn of

Oregon's young manhood against

the brain and brawn of Utah.

The latter were beaten at every

turn proving, if the tour of the

Utahans proves anything,

that the Pacific slope produces a

finer fiber, a more vigorous man-

hood, than does the Rocky

Mountain country. The Utah-

ans are not lacking in size and

weight. But in agility, fleetness

of foot, determination and readi-

ness to act they are surpassed

by the Oregon men.

The four Republican clubs of

Salem have planned a grand

rally to be held in that city on

Tuesday evening, November 1.

A number of prominent Repub-

lican speakers will be present,

including Hon. John H. Mitch-

ell. A grand street parade will

be held in the evening and the

committee appointed by the

clubs propose to make it the

largest political celebration ever

held in the Capital City. A

number of bands have been en-

gaged for the occasion.

Morningside is to have street

cars as soon as the track can be

laid.—Salem Journal. So is

Evening Tide, Sunnyside, Eola,

the inhabitants of Mars and

everybody else just as soon as

the track can be laid.

The birth rate in Portland

this year is 25 per cent greater

than last year. In making this

statement the Oregonian hurries

to say the marriages have large-

ly increased over last year.

If the organization of North-

western Lumbermen ever ex-

pects to amount to anything it

must change its name. No or-

der can become great under

such a name as the "Hoo Hoos."

Do you remember the little things that gave us so much pleasure when we were young? With what zest did we sit down to the table after our play was over and eat the mush and milk our mother put before us. But as we get older it takes more to give us pleasure. Mush and milk no longer tastes good to us, and our digestion may be impaired. The best advice we can give to such a person is to tone up the stomach with Dr. Pierce's Golden Medical Discovery. It is nature's most valuable and health-giving agent—made without the use of alcohol. It contains roots, herbs and barks, and is the concentration of nature's vitality as found in the fields and woods. This remedy has a history which speaks well for it because it was given to the public by Dr. R. V. Pierce, founder of the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., nearly forty years ago, and has since been sold by druggists in ever increasing quantities. Some medicines, tonics or compounds, enjoy a large sale for a few years, then disappear from the public attention, but Dr. Pierce's Golden Medical Discovery has proved such a reliable blood remedy and tonic that it often enjoys the confidence of several generations in a family, and its increased sales year by year coming from the recommendations of those who have tried it, prove its lasting merit, so that every bottle bears the stamp of public approval. Every other blood-maker and tonic for the stomach that we know of contains alcohol, but Dr. Pierce guarantees that no alcohol is contained in his "Medical Discovery."
