PRESIDENT

Theodore Roosevelt, of New York.

VICE-PRESIDENT

W. Fairbanks, of Indiana.

It was just like shooting fish.

All kinds of booze for sale at job lot prices.—Benton County.

Pay your bits and look pleasant.

Now the President can resume horseback riding.

Some prospects of peace between Russia and Japan since America's election.

Yamhill on the north, and Benton on the south have gone prohibition.

Election is over. No change of administration. Let business proceed.

A lot of reading and advertising matter was unavoidably crowded out of this issue. It will appear in next.

Bank robbery in Monmouth last week. Oil struck this week. What will next week bring forth?

One man who is entitled to say, "I was not greatly surprised," is D. W. Sears.

Flasks, bottles, demijohns, casks and barrels for sale at greatly reduced prices.—Benton County.

According to Tuesday's vote Polk county has 1354 republican votes, 528 democrats, 114 prohibitionists, 127 socialists and 31 belonging to the peoples party. Then there were between 700 and 800 who didn't vote at all.

"Oregon presents the best advertising proposition in the whole country" said C. H. Markham in the days when he represented the Southern Pacific in this state. And Polk presents the best advertising proposition in Oregon.

Walter Lyon should remove to Salem, and become one of the Young Men's Republican Club. He is too big a man for Independence.—Salem Journal X-Ray.

Invitation respectfully declined. In return for the sweet-scented, sarcastic covered bouquet so kindly tossed, must inform Mr. X-Ray man he has over-estimated the size of the man as much as he has under-estimated the size of the Hop Metropolis. Further-more, an invitation to join a political organization should come from its bona fide, and not cuckoo members.

The Delineator for December just out, is one of the most important yet issued of that high class magazine of fashion. Beside a description of the latest

modes, the literary and pictorial features for December are of rare excellence.

The West Side Enterprise is in receipt of a belated invitation from the Brewers & Wholesale Liquor Dealers Association of Portland, soliciting assistance to prevent prohibition from carrying in Polk county. The Liquor Dealers Association should post itself at least, to the extent of knowing which counties vote on prohibition and which do not.

Gets Best Talent.

J. B. Stump has employed a New Zealand sheep herder to take charge of his flocks of Lincoln and Cotswold sheep and Angora goats. Mr. Stump has 400 head of sheep and 200 goats, and much care has been given to their selection and breeding. Their aggregate value amounts to a little fortune and to properly care for them requires the entire time of a man and in securing one Mr. Stump selected an expert. His herder, David Evans has followed caring for stud flocks in Australia and New Zealand and has the reputation of knowing the fine sheep business thoroughly. For the past year he has been attending school in Wisconsin but has arrived in Monmouth and will take up his work with the Stump flocks in a few days.

A few men in Polk county of whom Mr. Stump is one, are doing a great work for the county and state in the improvement in breeds of stock, particularly sheep, goats and hogs.

Does Manhood Fail

It may sometimes owing to nervous disorders, but it is hardly ever lost except in extreme old age. What is called impotency or sexual neurasthenia is merely weakened power. Underneath the ashes the fire remains aglow. It requires careful, scientific treatment to fan it into a bright flame of life and energy. For these cases, which have been hitherto the despair of the physicians, nothing equals the application of electricity, if by proper current and exact dosage, in combination with the scientific administration of specific medical remedies which penetrate the secret ambush of disease, exterminating its root and branch forever. A rejuvenation follows its use. It produces results because it replenishes the Vital tonic requisite to the nervous system. According to Dr. Darrin's peculiar and scientific methods of administration it is a powerful vitalizer, indicated in diseased conditions, due to all kinds of excesses.

Dr. Darrin gives free examination to all, and when necessary, gives medicines in connection with electricity. The poor treated free from 10 to 11 daily, except medicine. Those willing to pay 10 to 5; evenings, 5 to 8; Sundays, 10 to 3. Errors of youth, blood taint, gleet, impotency, varicocele, and stricture a specialty. All curable chronic or private diseases treated at half his former prices. No case published without permission of the patient. All business relations with Dr. Darrin strictly confidential. Letters of inquiry answered. Circular question blanks sent free. Dr. Darrin will remain at the Hotel Gail Dallas until Dec. 4, only.

STOCKTON & CO

THE OLD WHITE CORNER SALEM, OREGON.

Salem's most progressive merchants. The Willamette Valley's most extensive dealers in Dry Goods, Clothing, Shoes, etc. The people wonder where our goods all go. A visit to our store will convince any observing person that we are doing an enormous business. We moved the Dalrymple store into our already crowded store only a few days ago, and already people are beginning to ask "What have you done with the goods?" It's the happy, obliging, generous way we have of dealing with people, together with the enormous bargain offerings in every department of our big store that makes the goods disappear almost as fast as we can get them.
