By what right, earthly or divine can Clackamas and Marion counties claim before the show, to be winners at the Lewis & Clark Fair next year.—*Independence Enterprise.*

By the right that belongs to every Clackamas countyite—the pleasure of living in the richest, most resourceful and productive county in the state, Polk not excepted.—*Oregon City Enterprise.*

But your claim is rejected for lack of support. There is no warrant for the statement that Clackamas is the "most resourceful and productive county in the state Polk not excepted." For two years in succession Polk has been pronounced the leader of all the counties at the Oregon State Fair.

## DR. DARRIN'S TIME

Piling Up of Work Compels Him to Prolong His Stay at Hotel Gail in Dallas

Will Remain in County Seat Until December 23, Which is Positively His Last Day in Polk

This eminent and far famed specialist has met with such an immense volume of business since coming to Dallas that he finds it absolutely necessary to prolong his visit to December 23rd only. It is a source of gratification to the doctor's friends to know that his skill is being so well and appreciatingly taxed. His patients are coming from all parts of Oregon and his patrons so plentiful that his name has become a household treasure in hundreds of homes in this vicinity.

The following recommendations of men so well known as Mr. Racey, Mr. Van Orsdol are one of the strongest reasons why people should look into the merits of Dr. Darrin's cure. December 23rd will positively be his last day here and all contemplating visiting him will do well to call soon as some may need a second treatment.

### Mr. P. A. Racey's Card.

To the Editor: In 1898 I was almost totally deaf in one ear. I was counseled to try Dr. Darrin then practicing in Portland. His treatment cured me perfectly and permanently so I have never been troubled since. I was successfully treated for catarrh. I have the utmost confidence in the doctor's new mode of treatment by electricity and will gladly tell anyone of my success at Jefferson, Oregon.

P. A. Racey.

### A Salem Man's Testimonial.

To the Editor: Seeing so much in your paper concerning Dr. Darrin's cures I was persuaded to try him on my daughter, who had been afflicted with a distressing discharge of the ear and partial deafness for the past four years. Under the doctor's mode of treatment she is healed. I reside at the corner of Commercial and Mission streets, Salem, and I am engineer in the Capital Brewery. Refer to me at either place.

J. D. VanOrsdol.

### Editorial Endorsement.

The following is from the editor of the Gold Hill News, and goes far to substantiate the remarkable cures of deafness performed by Dr. Darrin now at Hotel Gail, Dallas. Mr. Carey's cure has created great excitement among the deaf afflicted in Ashland. Mr. Carey's cure was witnessed by Mayor Neil, of Ashland.

### He Can Hear a Whisper.

[Gold Hill News.] One of our friends and subscribers, Mr. C. Carey, of Sam's Valley, has been losing his hearing for about a year. He visited the "News" office a few months ago, and the subject of treatment for his malady came up, when we recommended Mr. Carey to wait for Dr. Darrin's visit to Southern Oregon. Mr. Carey visited the doctor at Ashland, and was so much benefited that before leaving the doctor's he could hear a whisper. Such cures are wonderful, yet this one is undoubtedly true.
