Clackamas was once the seat of territorial government. It was the early home of Dr. John McLaughlin. It's welcome to Mr. Brownell. Marion is a county of wealth and resources. It's the home of Banker Bush, E. Hofer and Ex-Governor Geer. It has a lunatic asylum, penitentiary, reform school, and produces some hogs. Polk, annually takes the Blue Ribbon over both Clackamas and Marion in competition at the State Fair. Mrs. Wolfe will prepare an exhibit to compete with them both at the Lewis and Clark Fair. Geo. Murphy's cow has produced four calves as a starter in the line of things wonderful. Meet us on the Trail.

There is a long petition before the Polk county court reciting that the road through West Salem is very bad and asking the county to haul gravel and put on it. If the petition is granted, it will be at the expense and neglect of that abominable piece of road between Independence and the Rickreall bridge for both places are in Supervisor Brunk's district. At the direction of the court, Mr. Brunk graveled the approaches to the Rickreall bridge in the fall though he states Commissioner Riggs kicked because he did so much on that part of the road. It's an old truth, stated for the hundredth time, that the Independence end of the road in Brunk's district has not had its just share of attention. The court's attention is again directed to this fact.

After thirty-five minutes deliberation, the jury in the United States district court at Portland found Emma Watson, S. A. D. Puter, Horace McKinley, D. W. Tarpley and Frank Walgamot guilty of a conspiracy to defraud the government of public lands in 11-7. Marie Ware was found not guilty upon motion of the prosecuting attorney. Another case involving the same parties with one or two exceptions will be taken up right away. Congressman Herman and Senator Mitchell have been subpoenaed as witnesses.

The judges of one of the Salem wards have a suit on their hands for refusing Chas. E. Livesley the privilege of voting. Dangerous thing to refuse a man voting privilege when he is a known resident of the precinct where his vote is offered.

J. L. Skipton, democratic candidate for marshal of Salem, was defeated by eight votes, B. P. Cornelius, republican candidate, being elected. Cornelius' right to serve will be contested on the ground that he has not been a resident of Salem three years as required by charter.

Independence will go ahead.

Four calves—that's all Geo. Murphy's cow had in one day.

It's now up to the Exposition authorities to "show us" what they can do in the way of space.

The only real safe way to avoid serving on the jury in Judge Burnett's court, is to break a leg and stay at home.

Horace McKinley had hard luck with 11-7. Judging from his bondsmen, he will now try 7-11.

Judge Ed F. Coad and Commissioner Riddell are trying to hold court without Seth Riggs.

Monmouth still has a school house to sell.

A MOST REMARKABLE CURE OF HEART DISEASE

Perhaps one of the most wonderful results on record is the wonderful cure of Mrs. S. E. Clark by electricity and medicines administered by Dr. Darrin. Mrs. Clark was carried to Dr. Darrin's office in an almost dying condition, afflicted with a complication of diseases. Here are her own words:

Ukiah, Ore.—To the Editor: My health began to fail over a year ago. I gradually fell away until I became very weak. I was suffering from lung, heart and stomach troubles. On the 24th of December, 1897, I went to Pendleton and put myself under Dr. Darrin's treatment by electricity and medicines, and began to improve from the first treatment and continued to improve. At the present time I have good health. My neighbors say they never expected to see me return from Pendleton, and were greatly surprised at my recovery. Mrs. S. E. Clark.

Six Years Later

Ukiah, Ore.—Dr. Darrin: I am enjoying good health, and have gained 20 pounds in the past six years. I am entirely cured, and am very grateful indeed to have good health, after years of suffering with heart, stomach and lung troubles; also diseases peculiar to women. I cannot praise you too highly. Refer to me. Mrs. S. E. Clark.

An Ashland Patient's Card

Some time ago I contracted a severe cold on the lungs which being neglected became chronic. After vain attempts for relief I concluded it was death or Arizona. On learning of Dr. Darrin I consulted him. It is now one month since placing myself under his care, and I can truthfully say all morbid feeling has left my lungs and I feel I am on the road to a permanent cure. I am now able to work every day at hard labor. Furthermore, I will say in addition to his electrical and medical skill Dr. Darrin is a man with a human heart and is unusually reasonable in his charges. I know Mr. C. Carey, of Sam's Valley, Ore., before and after his cure of almost total deafness. Refer to me at Ashland, Ore. Earl Cline.

Discharging Ears Cured

To the Editor: I wish to make known through your widely circulated paper what Dr. Darrin has accomplished in my case, that others similarly afflicted may avail themselves of the doctor's great skill. For many years I have been annoyed with a loathsome discharge from my ears from the effect of measles. All remedies I have tried seemed to fail until I went under Dr. Darrin's electrical and medical treatment. I am now cured and feel very thankful to Dr.

Darrin. My hearing has greatly improved. I reside at Adams, Oregon, where my father keeps the Hotel Oregon. Can be referred to by letter or in person. Bert Kirby.

A Dallas Lady's Experience

To the Public: My daughter ten years old has been sorely afflicted the past eight years with deafness and discharging ears. Through Dr. Darrin's electrical and medical treatment I am happy to say she can hear about as well as anyone and the discharge of the ears has stopped. I can recommend Dr. Darrin at Hotel Gail. I will answer all questions by letter or in person at my residence on Court street, Dallas, where I have lived fourteen years. Mrs. Nellie B. Baird.

We regret to announce that Dr. Darrin's stay in Dallas is limited to December 23, only, and parties wishing to consult this famous physician should do so at once. He has made many wonderful cures in this vicinity, as the testimonials heretofore have shown.

Dr. Darrin can be consulted free at his office, from 10 to 5 daily; evenings 7 to 8; Sundays 10 to 3. Charges reasonable. He makes a specialty of all diseases of the eye, ear, nose and throat, catarrh and deafness, bronchitis, lagrippe, consumption, dyspepsia, heart, liver and kidney diseases. All nervous chronic and private diseases of men, and all peculiar female troubles are confidentially and successfully treated. Most cases can receive home treatment after a visit to the doctor's office. All business relations with Dr. Darrin strictly confidential.
