**SCARLET FEVER**

The Dallas public school is closed on account of scarlet fever. One fatality has occurred and all homes where there is a case, are under quarantine and have been since Saturday. There are nine cases at last report and the authorities are taking precaution against further spread. There are two trains a day between Dallas and Independence and danger of the disease getting started here is imminent. Mayor Messner urges the people to take all precautionary measures. Monmouth should do likewise. The school buildings should all be fumigated and no public gatherings should be held without first fumigating the hall or church building. Let every family co-operate to prevent the spread of the disease by consulting a physician and following his advice on precautionary measures.

**Chamberlain's Cough Remedy the Best Made**  
"In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cora Walker, of Portland, Oregon. There is no doubt about its being the best. No other will cure a cold so quickly. No other is so sure a preventative of pneumonia. No other is so pleasant and safe to take. These are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having once used this remedy. For sale by P. M. Kirkland, the druggist.

**Four Hundred Babies.**  
St. Vincent's Infant Asylum, Chicago, shelters homeless waifs awaiting adoption, and there are nearly 400 babies there.
