Coming.

Lewis & Poore's big, scenic production of "Ten Nights in a Bar-Room" a grand revival of the greatest temperance drama the world has ever known.

An elaborately constructed production, proving everywhere a sensation unparalleled in the history of the drama.

Carrying a superb band and grand augmented orchestra of 10 people, all special scenery and a first-class acting company of ladies and gentleman. It is evident that nothing has been left undone to make this the grandest triumph of all modern dramas. Free band concert at noon each day. Opera house one night.

To the Editor:
Will you please put these few lines in your paper: I am trying to find a young man in Oregon by the name of Kuby Brooks. His sister is here in Oakland and very anxious to find him. She has not seen him for years and does not know where he is in Oregon. His sisters name is Mabel Brook. The last place he left her was at Elmurst, Alameda county, Cal. I'm her brother-in-law and live at 2112-13 Avenue, Cal. Louis Faure.

The Colonel's Waterloo.
Colonel John M. Fuller, of Honey Grove, Texas, nearly met his Waterloo, from Liver and Kidney trouble. In a recent letter he says: "I was nearly dead, of these complaints, and, although I tried my family doctor, he did me no good; so I got a 50c bottle of your great Electric Bitters, which cured me. I consider them the best medicine on earth, and thank God who gave you the knowledge to make them." Sold, and guaranteed to cure Dyspepsia, Biliousness and Kidney Disease, by A. S. Locke, druggist, at 50c a bottle.

Statistics show startling mortality, from appendicitis and peritonitis. To prevent and cure these awful diseases, there is just one reliable remedy, Dr. King's New Life Pills. M. Flannery, of 14 Custom House Place, Chicago, says: "They have no equal for Constipation and Biliousness." 25c at A. S. Locke's, druggist.

The finer instinct in a man is a manifestation of weakness, not strength. It is a clutch to get something for nothing, a grab at good which you have not earned.

Incredible Brutality.

It would have been incredible brutality if Chas. F. Lemberger, of Syracuse, N. Y., had not done the best he could for his suffering son. "My boy," said he, "cut a fearful gash over his eye, so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye." Good for burns and ulcers too. Only 25c at A. S. Locke's drug store.

The Original.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. Ask for FOLEY'S Honey and Tar and refuse any substitute offered as no other preparation will give the same satisfaction. It is mildly laxative. It contains no opiates and is safest for children and delicate persons. Sold by A. S. Locke.

Cured Hemorrhages of the Lungs

"Several years since my lungs were so badly affected that I had many hemorrhages," writes A. M. Ake, of Wood, Ind. "I took treatment with several physicians without any benefit. I then started to take Foley's Honey and Tar, and my lungs are now as sound as a bullet. I recommend it in advanced stages of lung trouble." Foley's Honey and Tar stops the cough and heals the lungs, and prevents serious results from a cold. Refuse substitutes. Sold by A. S. Locke.
