HOP GROWERS

We would like to call your attention to the latest heat regulator and alarm. It can be set at any temperature and an alarm bell will ring if the temperature should fall as much as one degree; another bell will ring if the temperature should raise one degree. Just the thing for the hop house to guarantee perfect curing. Krebs' yard and most of the leading growers are installing this regulator in their kilns.

Given Up To Die

B. Spiegel, 1201 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley Kidney Cure was recommended and the first bottle gave me great relief and after taking the second bottle I was entirely cured." Sold by D. G. Deae, druggist.

When in need of fire insurance call on B. F. Jones, in the Cooper Block, who is agent for the Western Assurance Co. of Toronto, Canada, and the Germania Insurance Co., of New York. Both old and reliable companies.

Summer Diarrhoea in Children

During the hot weather of the summer months the first unnatural looseness of a child's bowels should have immediate attention, so as to check the disease before it becomes serious. All that is necessary is a few doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy followed by a dose of castor oil to cleanse the system. Rev. M. O. Stockland, pastor of the first M. E. church, Little Falls, Minn., writes: "We have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for several years and find it a very valuable remedy, especially for summer disorders in children." Sold by P. M. Kirkland, the druggist.
