## HOP GROWERS

We would like to call your attention to the latest heat regulator and alarm. It can be set at any temperature and an alarm bell will ring if the temperature should fall as much as one degree; another bell will ring if the temperature should raise one degree. Just the thing for the hop house to guarantee perfect curing. Krebs' yard and most of the leading growers are installing this regulator in their kilns.

A "DIAMOND BRAND" SHOE FOR EVERY FOOT

FIVE BIG FACTORIES

We make every style of shoe that is worn. That is one reason why we can give you better value for the money in Diamond Brand shoes than is possible in factories making only one kind of shoe.

As we operate five large plants, subdivided into seven specialty factories, every inch of leather can be utilized in some department and we are enabled to grade our leather to produce uniformly the highest quality without waste.

Ask your dealer for Diamond Brand Shoes.
