HOP GROWERS

We would like to call your attention to the latest heat regulator and alarm. It can be set at any temperature and an alarm bell will ring if the temperature should fall as much as one degree; another bell will ring if the temperature should raise one degree. Just the thing for the hop house to guarantee perfect curing. Krebs' yard and most of the leading growers are installing this regulator in their kilns.

She Found Relief

If you are troubled with liver complaint and have not received help read this. Mrs. Mary E. Hammond, Moody, Texas. "I was in poor health—with liver trouble—for over a year. Doctors did me no good and I tried Herbine, and three bottles cured me. I can't say too much for Herbine, as it is a wonderful liver medicine. I always have it in the house. Publish where you wish." Sold by D. G. Dove, druggist.

An Ounce of Prevention

is worth a pound of cure. There are many poor sufferers, Consumptives who are hopeless of getting well—who, if they had taken care of themselves, would now be well. A cough is the foundation of Consumption. Ballard's Horehound Syrup will cure that cough. Mrs. S., Great Falls, Montana, writes: "I have used Ballard's Horehound Syrup in my family for years—my children never suffer with coughs. Sold by D. G. Dove, druggist."
