# SENSATIONAL CLOAK AND SUIT SALE

We have bought entirely too many Womens and Misses Cloaks. Well, they were so pretty we could not resist buying, so we find ourselves badly overstocked and must sell them at a sacrifice in order to force them out before the season is too far gone. Our mistake and loss is your gain. It gives you a bigger assortment to pick from and forces us to sell them at a sacrifice, for we are determined to have none left at the close of the season if extremely low prices will do the work.

## 20 Per Cent Discount For Cash

Beginning Wednesday, Oct. 3d, and until further notice we will give 20 per cent discount on all our Womens, Misses and Childrens Cloaks and Rain Coats sold for cash. A big reduction like this at the end of the season is not so very startling, but when it comes at the very beginning of the season as this does it is entirely out of the ordinary and should bring a broad smile on the face of every cloak purchaser in this community.
