In a recent issue the Enterprise advocated the organization of a commercial club of some kind in this city and we take occasion to reiterate all that was said then and more. With the coming of next month there will be colonist rates from the east that will give us a chance to get some good people to locate with us, but if we have no concerted action we may expect but little results from this source. It is up to the business men to do something along this line. There is no necessity for a large expense to be incurred in forming such an organization, but it should be one that all the business men and others interested in the upbuilding of the country could join and heartily endorse. Who will be the first to make a move looking to organization of such a club?

Senator Fulton made an unwarranted attack on the President at a dinner given by Senator Ankeney of Washington at the Willard hotel Friday night. Fulton realizes that his "cake is dough" in the race to succeed himself and in desperation he attacks the best friend the people have had for years in the presidential chair. Such attacks as this made by political shysters will do one of two things—force Roosevelt to accept the nomination, notwithstanding his declaration to the contrary, or elect Bryan president. The corrupt practices of republican politicians in this state have given two of the best offices in the state to the democrats and if some radical changes are not made more will go the same way.

There is no reason why there should not be a large number of new home seekers located in this county this year. There is a lot of good fruit land in the hills west of here that can be had for from \$20 to \$30 per acre and it is learned that at least one ranch can be bought for \$12.50 per acre. At these prices for Willamette valley land that will produce fine fruit without irrigation it certainly ought to appeal to those who have been asked from \$250 to \$1000 per acre for eastern Washington land that will produce no better. All that is necessary is to get the matter before the right people and we may confidently expect to have them with us inside a twelve-month. Let us each do his part in getting this country exploited and we will reap our reward in knowing we have done some one a kindness even if we do not get any monetary consideration out of the deal. Let's put mercenary motives aside and do something from a purely humanitarian standpoint.

The politicians are trying to fool the people on the statement No 1 business by giving considerable weight to a letter from

George H. Williams saying that the seeker after legislative honors could make a statement that he would vote for the democratic or republican who received the highest number of votes cast by his party at the election, but this is not what the statement is intended for. It is for the purpose of giving the people the right to choose their United States senator by popular vote, irrespective of party. In this country the majority is supposed to rule and it is for that purpose that we want the candidates for the legislature to sign up saying that they will vote for the choice of the people. It is time that the people should run this government in the way that Lincoln would have had run, "a government for the people, by the people." A little touch of frontier justice wouldn't be a bad thing to dish out to the political shysters that try to manipulate the ballots of the people for their own selfish ends.

**Keeping Open House.**  
Everybody is welcome when we feel good; and we feel that way only when our digestive organs are working properly. Dr. King's New Life Pills regulates the stomach, liver and bowels so perfectly one can't help feeling good when he uses these pills. 25c at all druggists.

A train load of people went up to Corvallis from Dallas Friday evening to witness the basketball game between Dallas and Corvallis. It took three coaches to hold them and they were an enthusiastic lot.

**What Everybody Wants.**  
Everybody desires good health, which is impossible unless the kidneys are healthy. Foley's Kidney Remedy corrects irregularities and cures all forms of kidney and bladder disorders. Take Foley's Kidney Remedy at once and prevent Bright's disease and diabetes. D. G. Dove.

Boost for your home town. The man who knocks his home and all the infant industries that are trying to get a foothold, is nothing but a wart on the face of nature and the world would be better off without him.

**Mistake Corrected.**  
Correct the mistake of risking the pneumonia by neglecting a cough or cold when Foley's Honey and Tar will not only stop your cough but expell the cold from your system. Foley's Honey and Tar contains no opiates and is the best and safest lung and throat remedy. D. G. Dove.

A feature of interest is that, since the announcement two days ago that a cannery is to be a go, several buyers looking for small tracts of land handy to Corvallis, have already appeared. They want to go into small fruit and vegetable farming, as a result of the establishment of the cannery industry. And there will be more of them.—Corvallis Times.

## KEEP THE KIDNEYS WELL.

Health is Worth Saving, and Some Independence People Know How to Save It.

Many Independence people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger when all diseases and aches and pains due to weak kidneys can be quickly and permanently cured by the use of Doan's Kidney Pills. Here is an Independence citizen's recommendation.

J. R. Collins, City Marshal, living in Independence, Ore., says: "I am glad to have the opportunity of recommending Doan's Kidney Pills as they proved very satisfactory in my wife's case. She suffered for a number of years from a complication of diseases; doctored but received no relief and her health gradually ran down. Seeing Doan's Kidney Pills so highly recommended, she procured a box at P. M. Kirkland's Drug Store and the trouble gradually vanished. She is now in good health and attribute solely to the use of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

## A Night Alarm.

Worse than an alarm of fire at night is the metallic cough of croup bringing dread to the household. Careful mothers keep Foley's Honey and Tar in the house and give it at the first sign of danger. Foley's Honey and Tar saved many little lives and it is the only safe preparation for children as it contains no harmful drugs. D. G. Dove.

Best steers are selling in Portland at \$4.25 to \$4.50 per cwt.; good to choice hogs at \$5 to \$5.25; choice wethers at \$5.75 to \$6, and lambs at \$6 to \$6.25.

**Simple Remedy for LaGrippe.**  
La grippe coughs are dangerous as they frequently develop into pneumonia. Foley's Honey and Tar not only stops the cough but strengthens the lungs so that no serious results may be feared. The genuine Foley's Honey and Tar contains no harmful drugs and is in a yellow package. Refuse substitutes. D. G. Dove.

It is easy to keep the farm in good order if you keep it so every day. What makes it hard is when you let things slip by day after day thinking that there will be a stormy day some time when you can do all the odd jobs.

**Ask Yourself the Question.**  
Why not use Chamberlain's Pain Balm when you have rheumatism? We feel sure that the result will be prompt and satisfactory. One application relieves the pain, and many have been permanently cured by its use. 25 and 50 cent sizes. For sale by P. M. Kirkland.

Mrs. C. G. Long and child, came down on the Pomona from Albany yesterday morning to join her husband, who with Mr. Chamberlain has just purchased the meat market.

## RECIPE FOR RHEUMATISM.

Directions To Prepare Simple, Yet Remarkable Home Mixture.

There is no such Rheumatism here in our neighborhood now that the following advice by an eminent authority who writes for readers of a large Eastern daily paper, will be highly appreciated by those who suffer:

Get from any good pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces of Compound Syrup Sarsaparilla. Shake these well in a bottle and take in teaspoonful doses after each meal and at bedtime; also drink plenty of good water.

It is claimed that there are few victims of this dread and torturous disease who will fail to find ready relief in this simple home-made mixture, and in most cases a permanent cure is the result.

This simple recipe is said to strengthen and cleanse the eliminative tissues of the kidneys, so that they can filter and strain from the blood and system the poisons, acids and waste matter, which causes not only rheumatism, but numerous other diseases. Every man or woman here who feels that their kidneys are not healthy and active, or who suffers from any urinary trouble whatever, should not hesitate to make up this mixture, as it is certain to do much good, and may save you from much misery and suffering after while.

Our home druggists say they will either supply the ingredients or mix the prescription ready to take if our readers ask them.

## Wilson's Store

**BELIEVES IN QUALITY**  
When a customer has once been convinced that it pays to buy quality, he will seldom seek a store that caters merely to those who wish to buy the greatest quantity for the money. There are communities where quality arguments would have no weight, but there are many more that can be convinced that quality pays if the right arguments are used. Quality arguments are sometimes slow trade builders, but they build exceeding strong. Bargain Goods are only a bargain to those who have not the money with which to buy the best; but there is generally a hole in the bargain. If you simply want bargain goods, pay the cheap price and get them. If you want absolutely the best, the kinds that bring you back, pay more and get more. Quality has been behind every business that has built up a solid reputation. I believe in Quality and guarantee the quality of all my goods to those who wish the best.
