Read B. F. Jones' announcement. It is a manly statement and the people should back him up in it by seeing that he is returned to the legislature by a big majority and we believe he will be. There is too much rottenness and corruption in machine politics for any good to come of it and it is time that the common people were waking up to the fact that unless they try to help themselves there is no hope for them to gain political liberty.

Don't fail to come out to the meeting Saturday afternoon and help to get the old town on its feet. It has been slumbering for many years and it is about time that there was an awakening. This is an excellent opportunity to get together and do things. There isn't another town of any consequence in the state that isn't doing more towards development than is Independence and we dare say that there isn't another town in the state that has nearly as many natural advantages as this one; then why should we not be in the fore front of development? There isn't any need of our playing Rip Van Winkle any longer. Leave that to the natural heirs of Joe Jefferson.

The O. A. C. Barometer of last Saturday shows a deplorable condition existing at that school. There is either wilful neglect or gross incompetence on the part of those in authority when the students of a school conduct themselves in such a manner that the college paper reads them out in no uncertain terms. The people of the state are not paying taxes to train up thugs or prize fighters and if the management cannot, or will not put a stop to such conduct, then the school should be abolished and out out that much expense to the tax payers. It has only been a short time ago since an aggregation of thugs and bullies of the institution tried to haze a new student by making him undergo a baptism in filth, which resulted in a cutting scrape. This was smoothed over, but it seems that the same spirit still prevails and it is up to the Regents to see that this matter is settled and settled properly. If the Faculty cannot keep order then fire the faculty and get one that can.

The ceremony took place under green canopy with white flowers. Green and white being the color scheme of the bridal parlors. The wedding supper table and dining room were beautiful in white and green. Only relatives of the bride and bridegroom were present.

KEEP THE KIDNEYS WELL.

Health is Worth Saving, and Some Independence People Know How to Save It.

Many Independence people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger when all diseases and aches and pains due to weak kidneys can be quickly and permanently cured by the use of Doan's Kidney Pills. Here is an Independence citizen's recommendation.

J. R. Collins, City Marshal, living in Independence, Ore., says: "I am glad to have the opportunity of recommending Doan's Kidney Pills as they proved very satisfactory in my wife's case. She suffered for a number of years from a complication of diseases; doctored but received no relief and her health gradually ran down. Seeing Doan's Kidney Pills so highly recommended, she procured a box at P. M. Kirkland's Drug Store and the trouble gradually vanished. She is now in good health and attribute solely to the use of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

RECIPE FOR RHEUMATISM.

Directions To Prepare Simple, Yet Remarkable Home Mixture.

There is no such Rheumatism here in our neighborhood here that the following advice by an eminent authority who writes for readers of a large Eastern daily paper, will be highly appreciated by those who suffer:

Get from any good pharmacy one-half ounce Fluid Extract Sassafras, one ounce Compound Elixer, three ounces Compound Syrup Sarsaparilla. Shake these well in a bottle and take in teaspoonful doses after each meal and at bedtime; also drink plenty of good water.

It is claimed that there are few victims of this dread and torturous disease who will fail to find relief in this simple home-made mixture, and in most cases a permanent cure is the result.

This simple recipe is said to strengthen and cleanse the eliminative tissues of the kidneys, so that they can filter and strain from the blood and system the poisons, acids and waste matter, which causes not only rheumatism, but numerous other diseases. Every man or woman here who feels that their kidneys are not healthy and active, or who suffers from any urinary trouble whatever, should not hesitate to make up this mixture, as it is certain to do much good, and may save you from much misery and suffering after while.

Our home druggists say they will either supply the ingredients or mix the prescription ready to take if our readers ask them.

Wilson's Store

BELIEVES IN QUALITY

When a customer has once been convinced that it pays to buy quality, he will seldom seek a store that caters merely to those who wish to buy the greatest quantity for the money.

There are communities where quality arguments would have no weight, but there are many more that can be convinced that quality pays if the right arguments are used.

Quality arguments are sometimes slow trade builders, but they build exceeding strong.

Bargain Goods are only a bargain to those who have not the money with which to buy the best; but there is generally a hole in the bargain.

If you simply want bargain goods, pay the cheap price and get them. If you want absolutely the best, the kinds that bring you back, pay more and get more.

Quality has been behind every business that has built up a solid reputation.

I believe in Quality and guarantee the quality of all my goods to those who wish the best.
