

Have You?

Kind friends, have you heard of the town of No Good, or the banks of the river slow, where the sometime-or-other scents the air and the soft Go-eases grow? It lies in the valley of What's the use, in the province of Let-her-slide; it's the home of the reckless I don't care, where the Give-it-up abides. The town is as old as the human race, and it grows with the flight of years; it is wrapped in the fog of the idler's dreams; its streets are paved with discarded schemes; and are sprinkled with useless tears.

MAKE IT YOURSELF.

Tells Our Readers How to Mix Best Rheumatism Cure.

A well-known authority on Rheumatism gives the readers of a large New York daily paper the following valuable, yet simple and harmless prescription, which any one can easily prepare at home:

Fluid Extract Dandelion, one-half ounce; Compound Karrow, one ounce; Compound Syrup Sarsparilla, three ounces.

Mix by shaking well in a bottle, and take a teaspoonful after each meal and at bedtime.

He states that the ingredients can be obtained from any good prescription pharmacy at small cost, and, being of vegetable extraction, are harmless to take.

This pleasant mixture, if taken regularly for a few days, is said to overcome almost any case of Rheumatism. The pain and swelling, if any, diminishes with each dose, until permanent results are obtained, and without injuring the stomach. While there are many so-called Rheumatism remedies, patent medicines, etc., some of which do give relief, few really give permanent results, and the above will, no doubt, be greatly appreciated by many sufferers here at this time.

Inquiry at the drug stores of this neighborhood effects the information that these drugs are harmless and can be bought separately, or the druggists here will mix the prescription for our readers, if asked to.

KEEP THE KIDNEYS WELL.

Health is Worth Saving, and Some Independence People Know

How to Save It.

Many independent people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger when all diseases and aches and pains due to weak kidneys can be quickly and permanently cured by the use of Doan's Kidney Pills. Here is an independent citizen's recommendation.

J. R. Collins, City Marshal, living in Independence, Ore., says: "I am glad to have the opportunity of recommending Doan's Kidney Pills as they proved very satisfactory in my wife's case. She suffered for a number of years from a complication of diseases; doctorred but received no relief and her health gradually ran down. Seeing Doan's Kidney Pills so highly recommended, she procured a box at P. M. Kirkland's Drug Store and the trouble gradually vanished. She is now in good health and attributes solely to the use of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
