

KEEP THE KIDNEYS WELL.

Health is Worth Saving, and Some Independence People Know How to Save It.

Many Independence people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer any longer in danger when all diseases and aches and pains due to weak kidneys can be quickly and permanently cured by the use of Doan's Kidney Pills. Here is an Independence citizen's recommendation:

J. D. Collins, City Marshal, living in Independence, Ore., says: "I am glad to have the opportunity of recommending Doan's Kidney Pills as they have been satisfactory in my wife's case. She suffered for a number of years from a combination of diseases, doctors let her down, and her health gradually ran down. Doan's Kidney Pills so highly recommended, she procured a box at P. M. Kirkland's Drug Store and the trouble gradually subsided. She is now in good health and she owes it to the use of Doan's Kidney Pills."

Prof. Howell, of Havana, Cuba, Recommends Chamberlain's Cough Remedy.

"As long ago as I can remember my mother was a faithful user and friend of Chamberlain's Cough Remedy, but never in my life have I realized its true value until now," writes Prof. H. A. Howell, of Havana, Cuba. "On the night of February 23d my baby was taken sick with a very severe cold, the next day was worse and the following night his condition was desperate. He could not lie down and it was necessary to have him in my arms every moment. Then his breathing was difficult. I did not think he would live until morning. At last I thought of my mother's remedy, Chamberlain's Cough Remedy, which we gave, and it afforded prompt relief, and now, three days later, he has fully recovered. Under the circumstances I would not hesitate a moment in saying that Chamberlain's Cough Remedy, and that only, saved the life of our dear little boy." For sale by P. M. Kirkland.

"When given as soon as the croupy cough appears, this remedy will prevent the attack. It is used successfully in many thousands of homes. For sale by P. M. Kirkland.

Lucy Suddreth, of Lenoir, N. C., had been troubled with a very bad cough for over a year. She says: "A friend brought it to me and insisted that I should take it. I did so and to my surprise it helped me. Four bottles of it cured me of my cough."
