

# THE LEADING OFFICE SEEKERS

Who are Asking for the Support of Their Party at the Primaries.

## ANNOUNCEMENT.

To the Hon. Frank W. Benson, Secretary of State, Salem, Oregon, and to the members of the Republican party and to the electors of the Counties of Polk and Lincoln, in the State of Oregon, I Benjamin F. Jones, reside at Independence, Polk County, Oregon, I am a duly registered member of the Republican party, in South Independence Precinct, Polk County, Oregon. If I am nominated for the office of Joint Representative for Polk and Lincoln counties, at the Primary election to be held, on the 17th day of April 1908, I will accept the nomination and will not withdraw, and if I am elected I will qualify as such officer.

The direct Primary law having passed by a vote of 56,859, against 16,254 and believing in the doctrine that the people know what they want, I further state to the people of Oregon, as well as to the people of my legislative district, that during my term of office I will always vote for the candidate for United States Senator in Congress who shall have received the highest number of the peoples votes for that position at the general election next preceding the election of a Senator in Congress without regard to my individual preference.

If nominated and elected I will during my term of office stand for the just regulation of all transportation, equitable assessment and taxation of all property, State or National ownership of the Locks at Oregon City, and the improvement of all navigable waters in Oregon. A most liberal policy for all Public Schools. The right of suffrage to women.

B. F. JONES.

## FOR COUNTY JUDGE.

J. G. Van Orsdel, candidate for county judge of Polk county, Oregon, on the democratic ticket, to be voted for at the primary on the seventeenth of April, 1908, will submit the following platform:

First: I will advocate good roads and a fair distribution of the road tax. It is not just to collect taxes from the outlying districts, and not give the taxpayer his share of the road work to make it more convenient for him to reach market.

Second: No waste of public money; strictest economy consistent with a good administration of county affairs; a square deal, and good treatment for everyone.

Third: I will try, if nominated and elected, to work in harmony with the county commissioners so far as I think is for the good of the people.

Fourth: Should the voters of Polk county decide that I am the proper person to fill the office of county judge, I will give to the management of the business of the county the same energetic and careful attention that I have given my own business.

Fifth: I believe in the direct primary. I think this is one of the agencies in the hands of each elector to bring the government nearer to the people, and take it out of the "boss rule," giving us a government of the people, by the people, and for the people.

I will say in conclusion that I served the people of this county from 1898 to 1902 as sheriff, and you can look into my record, and if found wanting, you can turn me down the same as you should any man that was unfaithful in his trust.

J. G. VANORSDEL.

## A Common Mistake.

Many women mistake kidney and bladder troubles for some irregularity peculiar to the sex. Foley's Kidney Remedy corrects irregularities and makes women well. Miss Carrie Harden, Bowling Green, Ky., writes: "I have suffered much pain from kidney and bladder trouble until I started to use Foley's Kidney Remedy. The first bottle gave me great relief, and after taking the second bottle I was entirely well. D. G. Dove."

## Receives Congratulations.

You will soon receive congratulations of your friends upon your improved appearance if you will take Foley's Kidney Remedy as it tones up the system and imparts new life and vigor. Foley's Kidney Remedy cures backache, nervous exhaustion and all forms of kidney and bladder troubles. Commence taking it today. D. G. Dove.

Tomorrow is the day for the primaries. Let everybody vote.

## An Insidious Danger.

One of the worst features of kidney trouble is that it is an insidious disease and before the victim realizes his danger he may have a fatal malady. Take Foley's Kidney Remedy at the first sign of trouble as it corrects irregularities and prevents Bright's disease and diabetes. D. G. Dove.

# SUCCESS SURE FOR H. M. CAKE

Predicts Will Carry Multnomah County at Coming Nominations.

In spite of the desperate efforts of the old machine and representatives of certain big "trusts" to accomplish his defeat, the nomination of H. M. Cake, champion of Statement No. 1, for United States Senator on April 17th, is generally conceded throughout the state. It is predicted in Portland that he will carry Multnomah county by between 5000 and 6000. With few exceptions, the newspapers of the state have rallied loyally to Mr. Cake's support. In urging his nomination, the Polk County Observer says:

"Hon. H. M. Cake is making a creditable campaign and his nomination, never seriously in doubt, is now practically assured by a rousing majority. Enthusiastic crowds have flocked to hear him in his trip through southern Oregon, and his tour of eastern Oregon, where he has always been strong with the voters, promises to be in the nature of a triumphal march. Mr. Cake is making a clear, dignified campaign, free from personality or abuse and is earnestly advocating the principles he believes to be right. He is an able, effective speaker, who makes no attempt at high flown oratory, but takes the people into his confidence and has a quiet heart-to-heart talk with them on the important issues now before the people of the state and nation, the most effective oratory by the way, that can be indulged in by any practical speaker in this practical age. He dodges no issues, straddles no questions, but frankly discusses every subject in a manner that leaves no doubt in any mind as to his sincerity. In Mr. Cake the people feel they have a man whom they can trust; one who would represent them honorably and fearlessly in the nation's highest law-making body. The 6000 or less votes which he lacked in the entire state for the senatorial nomination two years ago, will be made up to him this time by the voters of Oregon, with a few thousand thrown in for good measure."

## Rheumatic Pains Relieved.

Mr. Thos. ## SIMPLE HOME RECIPE.

Mix This Simple, Helpful Recipe at Home and Try It, Anyway.

Get from any prescription pharmacist the following: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Shake well in bottle and take a teaspoonful dose after each meal and at bedtime.

The above is considered by an eminent authority, who writes in a New York paper, as the finest prescription ever written to relieve Backache, Kidney Trouble, Weak Bladder, and all forms of Urinary difficulties. This mixture acts promptly on the eliminative tissues of the Kidneys, enabling them to filter and strain the uric acid and other waste matter from the blood which causes rheumatism.

Some persons who suffer with the afflictions may not feel inclined to place much confidence in this simple mixture, yet those who have tried it say the results are simply surprising, the relief being effected without the slightest injury to the stomach or other organs.

Mix some and give it a trial. It certainly comes highly recommended. It is the prescription of an eminent authority, whose entire reputation, it is said, was established by it.

A druggist here at home, when asked, stated that he could either supply the ingredients or mix the prescription for our readers, also recommends it as harmless.

Independence turned out in numbers last Sunday to hear Heney at Salem. Many drove over in rigs and automobiles, while the launch, Independence, carried thirty more.

## "One Touch of Nature Makes the Whole World Kin."

When a rooster finds a big fat worm he calls all the hens in the farm yard to come and share it. A similar trait of human nature is to be observed when a man discovers something exceptionally good—he wants all his friends and neighbors to share the benefits of his discovery. This is the touch of nature that makes the whole world kin. This explains why people who have been cured by Chamberlain's Cough Remedy write letters to the manufacturers for publication, that others similarly ailing may also use it and obtain relief. Behind every one of these letters is a warm hearted wish of the writer to be of use to someone else. This remedy is for sale by P. M. Kirkland.

## IN INDEPENDENCE

Every Claim is Backed by Local Testimony.

If the reader wants stronger proof than the following statement and experience of a resident of Independence, what can it be?

Zed Rowendorf, clothing merchant, living on Main St., Independence, Ore., says: "I do not believe there is anyone who has suffered from kidney complaint more severely than I. For ten years I was troubled with this complaint and finally became so bad and my back became so weak and stiff that I was forced to walk in a stooped over position. My kidneys were in a terrible shape and caused me to arise almost constantly during the night to pass the secretions. Often at night I would have to sit up, not being able to rest in any position. My limbs were swollen and my eyes puffed so severely at times that I hardly knew what to do. I doctored with many physicians but was told I had an excess amount of sugar in my system and that there was no help for me. I tried everything and finally heard about Doan's Kidney Pills. They helped me from the first, and I am today so free from kidney complaint that I am unable to express my gratification. I am able to stand erect and my kidneys are nearly normal. I believe there is nothing in the world for kidney trouble like Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-McMullen Co., Buffalo, New York. Sole agents for the United States. Remember the name Doan's and no other.
