Oregon's Finest Sheep.

The Willamette valley is peculiarly adapted to the production of fancy livestock, and the business will pay, says the Corvallis Times. Dr. Withycombe holds that this valley should and will ultimately produce fancy steers to be placed at the head of flocks and herds in other less favored regions, because this is the place where the highest type of such animals can be grown. A case in point is a shipment just made by Peter Whitaker, who devotes special attention to Lincoln sheep. Eighteen head of yearlings just sold by him, brought a figure known to be about \$18 per head. Each yielded fifteen pounds of the finest grade of long wool. The animals went to points outside of Oregon for breeding purposes. The movement for shipping Benton sheep to the Montana, Wyoming and other ranges for similar purposes, is a means out of which there is opportunity for immense profit to Benton farmers who are in position to grow the best long woolled sheep in the world.

O'Brien Will Grow Brewing Barley.

Charles O'Brien, a farmer who resides northwest of Independence, will experiment the coming season with a new variety of barley which he got through the Salem Brewing Co., of Salem. This barley is intended for brewing purposes and its yield is said to be higher than most other varieties. It is stated by parties near Salem who have grown it that it will yield from forty to seventy bushels to the acre. Brewing barley has a higher market value than the common field variety, so that the growing of brewing kinds gives much promise. This variety was ordered from Milwaukee expressly for Mr. O'Brien, at a cost of four cents a pound. Its test will be watched with considerable interest by the people of this section.

Rheumatic Pains Relieved.

Mr. Thos. Stenton, postmaster Pontypool, Ont., writes: "For the past eight years I suffered from rheumatic pains, and during that time I used many different liniments and remedies for the cure of rheumatism. Last summer I procured a bottle of Chamberlain's Pain Balm and got more relief from it than anything I have ever used, and cheerfully recommend this liniment to all sufferers from rheumatic pains." For sale by P. M. Kirkland.

He Got What he Needed.

"Nine years ago it looked as if my time had come, says Mr. C. Farthing of Mill Creek, Ind., Ter. 'I was so run-down that life hung on a very slender thread. It was then my druggist recommended Electric Bitters. I bought a bottle and I got what I needed—strength. I had one son in the grave, but Electric Bitters put it back on the turf again, and I've been well ever since.' Sold under guarantee at all druggists, 50c."

Miss Nellie Williams was in Independence while enroute to Salem where she will visit friends for a short time.

A Twenty Year Sentence.

"I have just completed a twenty year health sentence, imposed by Bucklen's Arnica Salve, which cured me of lingering piles just twenty years ago," writes G. S. Woolver, of La Rayville, N.Y. Bucklen's Arnica Salve heals the worst sores, boils, wounds and cuts in the shortest time 25c. At all druggists.

Cecile Wilcox spent Sunday with her parents. Miss Wilcox is a student of University of Oregon.

A Common Mistake.

Many women mistake kidney and bladder troubles for some irregularity peculiar to the sex. Foley's Kidney Remedy corrects irregularities and makes women well. Miss Carrie Hurden, Bowling Green, Ky., writes: "I have suffered much pain from kidney and bladder trouble until I started to use Foley's Kidney Remedy. The first bottle gave me great relief, and after taking the second bottle I was entirely well. D. G. Dove."

Ed Wallace is home for a few days from Corvallis. He is attending the O. A. C. at Corvallis.

Important Decision.

It is important that you should decide to take only Foley's Honey and Tar when you have a cough or cold as it will cure the most obstinate racking cough and expel the cold from your system. Foley's Honey and Tar contains no harmful drugs. Insist upon having it. D. G. Dove.

Dean Walker, who attends the Columbia College of Portland, is home on a visit to his parents for a few days.

Death was on his Heels.

Jesse P. Morris, of Skippers, Va., had a close call in the spring of 1906. He says: "An attack of pneumonia left me so weak and with such a fearful cough that my friends declared consumption had me, and death was on my heels. Then I was persuaded to try Dr. King's New Discovery. It helped me immediately, and after taking two and a half bottles I was a well man again. I found out that New Discovery is the best remedy for coughs and lung disease in all the world." Sold under guarantee at all druggists. 50c and \$1.00. Trial bottle free.

Misses Grace Wallace, Mabel Porterfield and Rowena Sperling came over from Mt. Angel to spend Easter with their parents who reside in this city.

Chamberlain's has Preference.

Mr. Fred C. Hamralman, a prominent druggist of Portsmouth, Va., says: "For the past six years I have sold and recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is a great remedy and one of the best patent medicines on the market. I handle some others for the same purposes, but pay me a large profit, but this remedy is so sure to effect a cure, and my customer so certain to appreciate my recommending it to him, that I give the preference." For sale by P. M. Kirkland.

Elias Ferguson, who had a severe stroke of paralysis a short time ago, is rapidly recovering, we are glad to say.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer \$100 Dollars for any case that it fails to cure. Send for list of testimonials.
