When you think of indigestion think of Kodol, for it is without doubt the only preparation that completely digests all classes of food. And that is what you need when you have indigestion or stomach trouble—something that will act promptly but thoroughly, something that will get right at the trouble and do the very work itself for the stomach by digesting the food that you eat and that is Kodol. It is pleasant to take. It is sold by Dove & Williams.

A great many people imagine they have heart trouble when the fact is that the whole trouble lies in the stomach. The pains in the side around the region of the heart are not necessarily heart trouble. We suggest that you start with the stomach and whenever you feel a depression after eating or whenever your food seems to nauseate take Kodol. It will not be very long until all these "heart pains" will disappear. Take Kodol now and until you know you are right again. There isn't any doubt about what it will do and you will find the truth of this statement verified after you have used Kodol for a few weeks. It is sold here by Dove & Williams.

GALA DAYS AT INDEPENDENCE

Indications are that the spring meet of the Independence Driving Club will be one of the most magnificent events in the history of the city. There are many splendid features being prepared which will go to make the occasion one to be remembered.

It is whispered about that many of the Independence ladies are preparing splendid gowns which they will wear to do honor to the horse show. The women of Independence will not see this affair lack for patronage from the fair sex.

Among the men of prominence of the state who will attend these events of May 27th and 28th will be Gov. Chamberlain and H. M. Cake, the democratic and republican candidates for United States Senate and it is expected that both will deliver addresses in the auditorium on the evening of the second day's races.

Good horses are being entered from many places and it is stated by the management of the meet that there are already seven or eight entries for the buggy event.

Music during the two days will be furnished by the Monmouth-Independence band, rehearsals for which have been occurring regularly every week for sometime. Independence orchestra will furnish music for the grand ball which will take place on the evening of the 28th. This, by the way, is expected to be also one of the crowning events, in which evening dress and decollette may be expected to be in evidence.

Come and watch Independence spread herself at the spring meet on the occasion of the horse show and races.
