One toils by faith in hope of future reaping

Each weary step a sacrifice to God, For he who holds the harvest in his keeping Hath Sanctified the steel that rends the sod.

—Archibald Wheaton.

For every man who leaves Umatilla county because the county has gone "dry," says the East Oregonian there will be two or three new settlers come in to stay. For every man who knocks the county because of the prohibition vote there will be dozens of staunch supporters and advocates of the principle make emphatic reply.

Every emergency has its compensating features. For every saloon man who, unfortunately, will be forced to leave the city and county, there will be dozens of excellent people come in to engage in industries upon which the ban of the law is not set.

Already instances of people coming here on account of the prohibition vote are being noted. The East Oregonian will make special note of such cases and hopes to be able to publish a list of actual settlers who come here because the county has at last been voted "dry." Many of such people are coming. There is no doubt about it. They believe in that principle and they know that this is a good county and so there is every inducement for them to come.

The ultimate benefits will be largely in favor of Pendleton and Umatilla county. There is no doubt about it.

It is unlikely that the Enterprise would have presumed on the invitation to the grand festival had the management of the Portland Rose Carnival been kind enough to have extended the same to us. There was one thing painfully evident—that the management in dealing out copious (complimentary) advertising copy to the papers of the state have not deemed the matter of sufficient importance to merit the usual courtesies. Most of the editors were there and they enjoyed their visit to a reasonable extent, aforesaid usual courtesies to the contrary notwithstanding. Do you suppose that the admen draw deeper water than the quilldrivers of Oregon?

#### Thinks it Saved His Life.

Lester M. Nelson, of Naples, Maine, says in a recent letter: "I have used Dr. King's New Discovery many years, for coughs and colds, and I think it saved my life. I have found it a reliable remedy for throat and lung complaints, and would no more be without a bottle than I would be without food." For nearly forty years New Discovery has stood at the head of throat and lung remedies. As a preventive of pneumonia, and healer of weak lungs it has no equal. Sold under guarantee at all druggists. 50c and \$1.00. Trial bottle free.

#### Born in Iowa.

Our family were all born and raised in Iowa, and have used Chamberlain's Colic, Cholera, and Diarrhoea Remedy (made at Des Moines) for years. We know how good it is from long experience in the use of it. In fact, when in El Paso, Texas, the writer's life was saved by the prompt use of this remedy. We are now engaged in the mercantile business at Narcoossee, Fla., and have introduced the remedy here. It has proven very successful and is constantly growing in favor.—Ennis Bros. This remedy is for sale by P. M. Kirkland.

Doan's Kidney Pills will do this for you.

They watch the kidneys and cure them when they're sick.

Mrs. Melissa Govro, living on Log Cabin St., Independence, Ore., says: "I suffered for years from what doctors called kidney complaint. The secretions from my kidneys was very irregular in action and caused me great annoyance. I felt languid and tired and had frequent dizzy spells. I finally became run down in health and used so many medicines without satisfactory results that I did not have much faith in any remedy. I procured a box of Doan's Kidney Pills and began using them. Their results were very gratifying. I continued using them and was completely cured. I have recommended Doan's Kidney Pills to many people suffering from kidney complaint."

For Sale by all Dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York Sole Agents for the United States. Remember the name Doan's and use no other.

Miss Bessie Butler, who has been suffering for some time from an attack of appendicitis, is convalescing.

There is more "arrh" in this section of the country than all other countries put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatments pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Sent for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio.

Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

### Is It Big Enough for You?

There have been several people looking after that 53 acre tract of land, located within a mile of the limits of the town of Independence.

It's the best buy in the county and is going to sell at less than \$50 an acre. Think of it! This little ranch is offered for \$3,000. Plow it and seed it to potatoes and twenty acres of the crop will buy the whole place.

Under cultivation and fenced. If you haven't the money to pay all down it can be bought on terms.

Call at the Enterprise Office for particulars.
